Presentation

If "The Mountaineer" will keep unfolded the faces of friends in the treasure chest of memory we shall count well spent the time and effort in assembling it.

To have this little book bring back, whenever opened, pleasant memories of our days at Cores High School has been our aim in the producing of it.

We wish that we could thank individually each person that made the fourth volume possible. Especially we thank Mr. Thomas who gave us his time and experience in getting the book ready for publication.

It has been a pleasure making this book, we hope that you will enjoy it.

DEDICATION

To the heroic boys who have answered
"the stirring call for men" to defend our
liberties in this World War II, and to
those who might be called; we gratefully
dedicate this, patriotic number of "THE
MOUNTAINEER."

SENIOR CLASS HISTORY

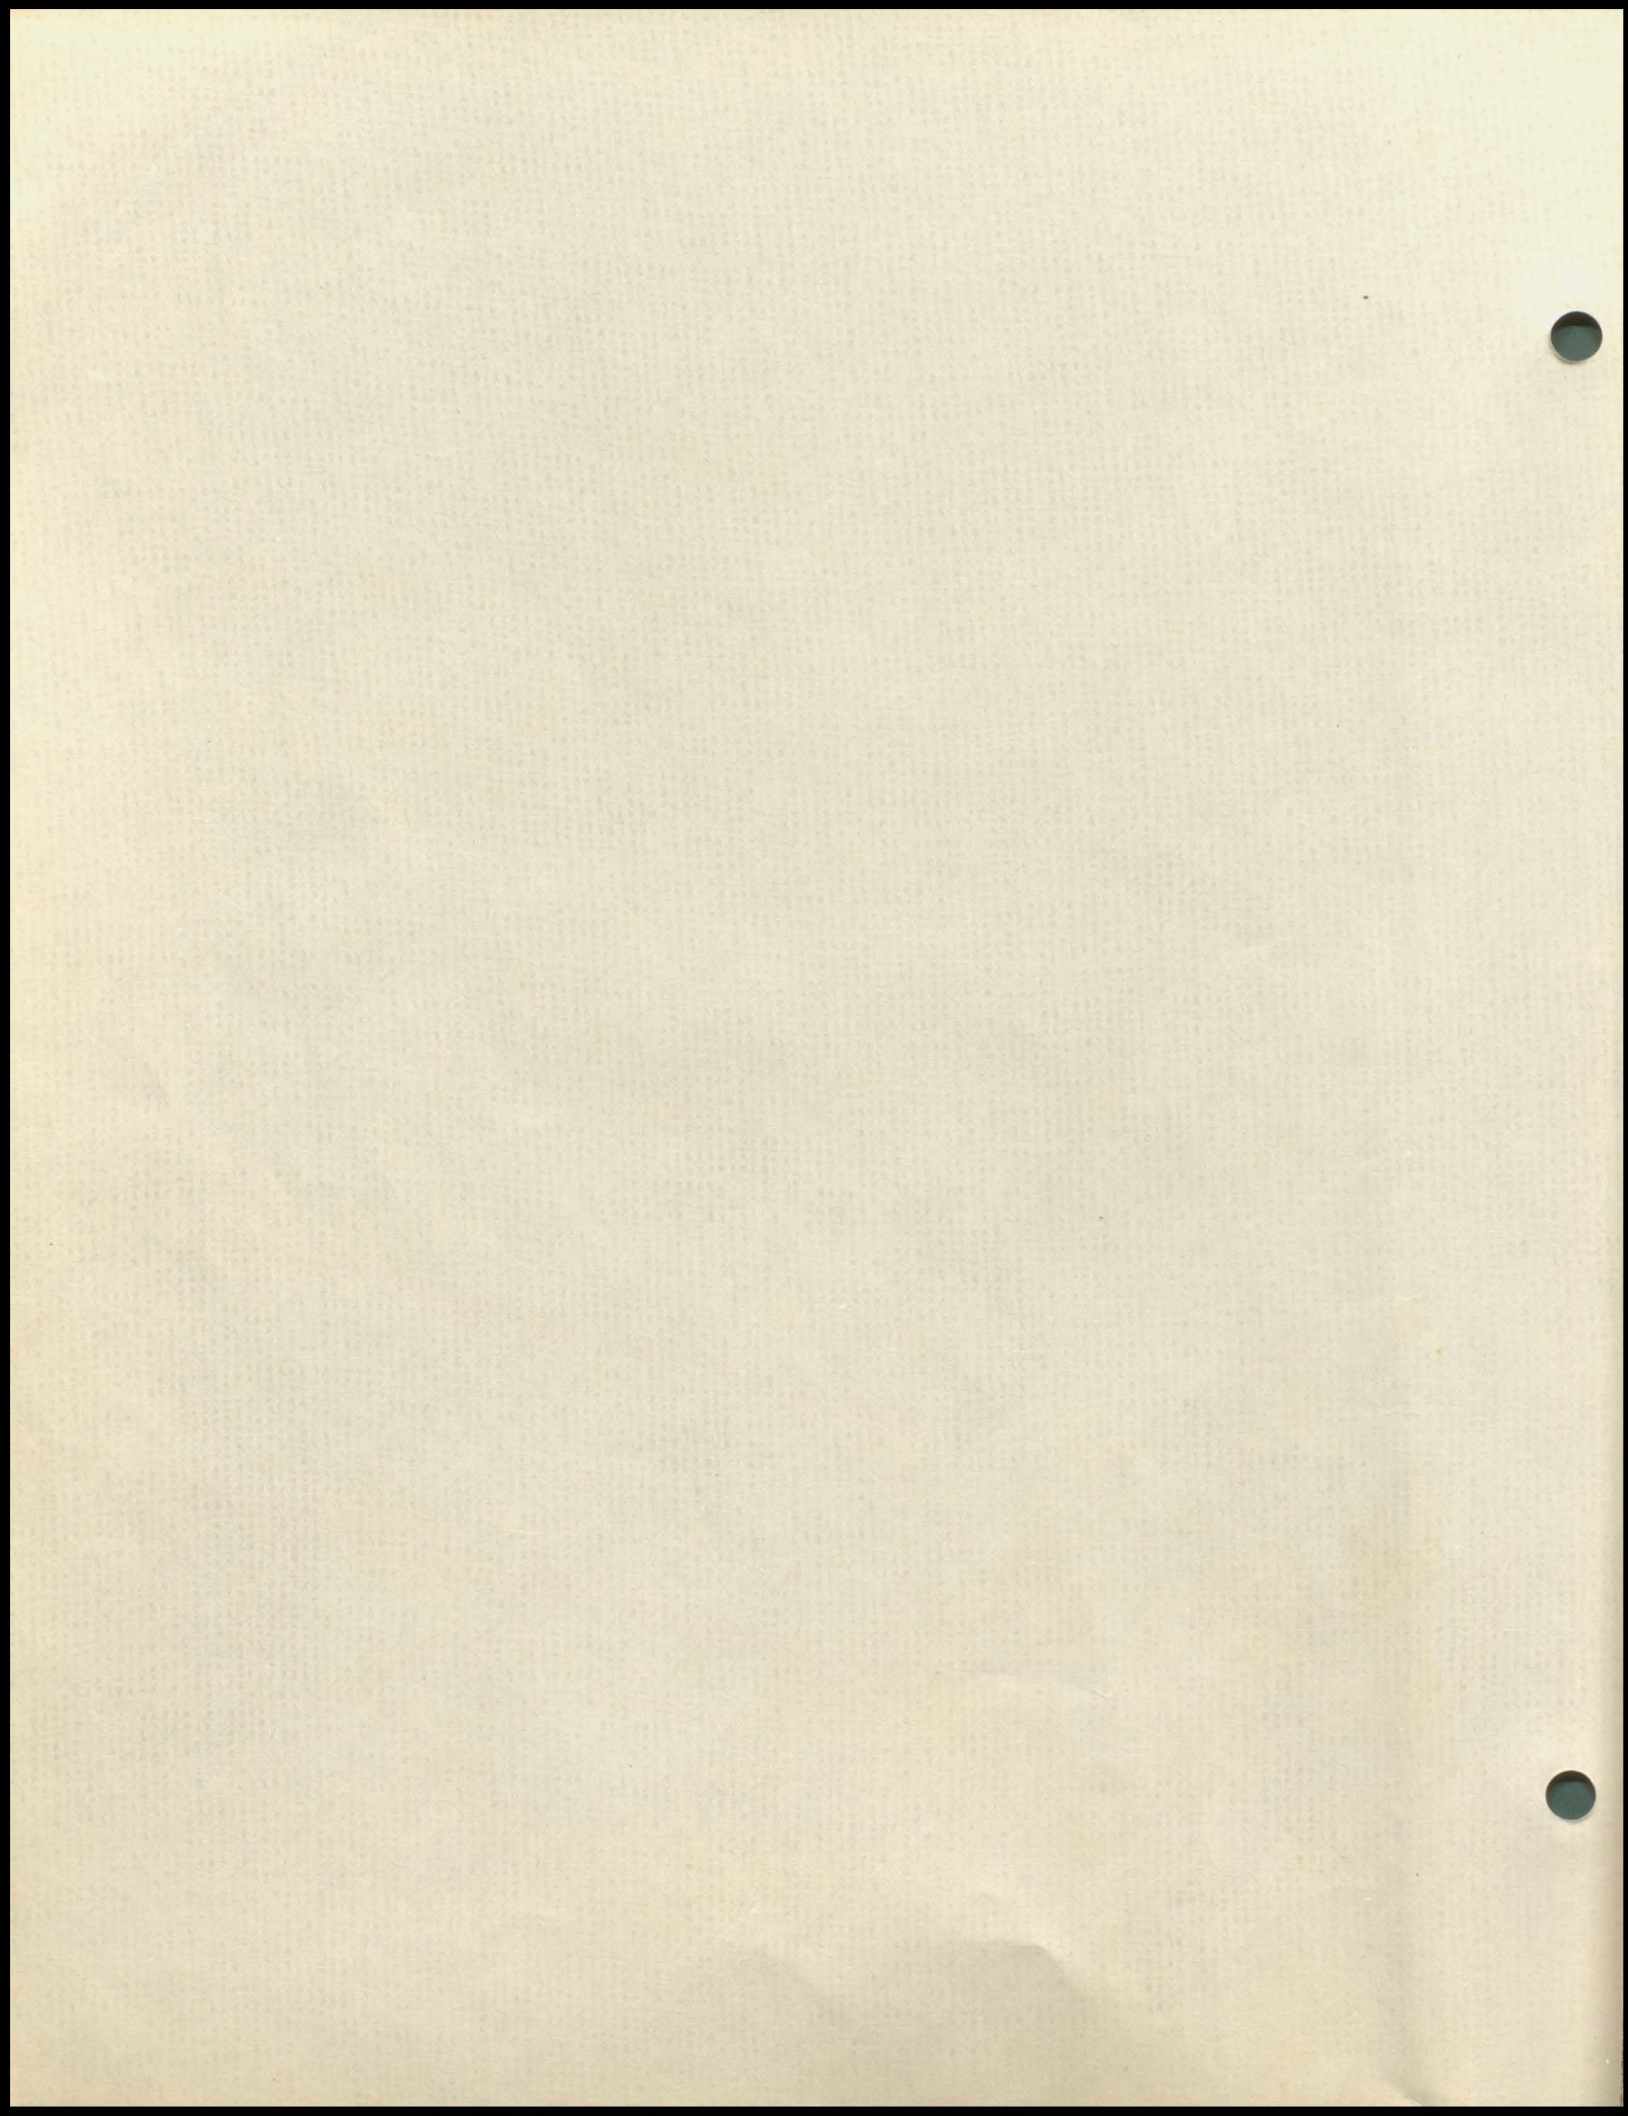

The school term of 1941 and '42 is drawing to a close and graduation is approaching. Our class entered Cores High School in the fall of 1938. At that time it consisted of thirteen members, namely; Anna Catherine Brown, Edith Cox, Lillian Foglesong, Norma Harner, Phyllis Harner, Max Harner, Kenneth Hubble, Janie McFarland, Arten Repass, Stuart Taylor, Warren Thompson, Harry Wilson, and Lois Winesett.

As it was our first year in High School we were a bit bashful and didn't take a very active part in any social activities. Thus it was that our freshman year passed by uneventfully.

Our Sophomore year began in the fall of '39. We regret the loss at this time of two members; Phyllis Harner and Stuart Taylor. We have welcomed nine new members: Ralph Austin, Juanita Burke, Florine Harner, Irene Walters, Filmore Cassell, Warren Hubble, Orrington Neel, Wayne Neel and Herman Neel.

This was a happy school year for us. Home Economics and Agriculture were introduced into the school course and every one was interested in farming and housekeeping. Members of the class presented two plays "The Absent Minded Professor" and "Little Women". The science class had a great deal of fun the night we went to see "Young Tom Edison" though we had a flat tire on the way to Wytheville. More fun was added when we presented "The Absent Minded Professor" at Holly Brook and "Little Women" at Rocky Gap. The first Home Ec. and F. F. A. banquet was set for the girls and their mothers and the boys and their fathers toward the last days of the school term. Thus a happy and successful year was completed and we looked forward joyfully to the next.

In September, of 1940 we received the title of Juniors. Two members were lost, Juanita burke, and Irene Walters; one new member was

Herbert Cooper.

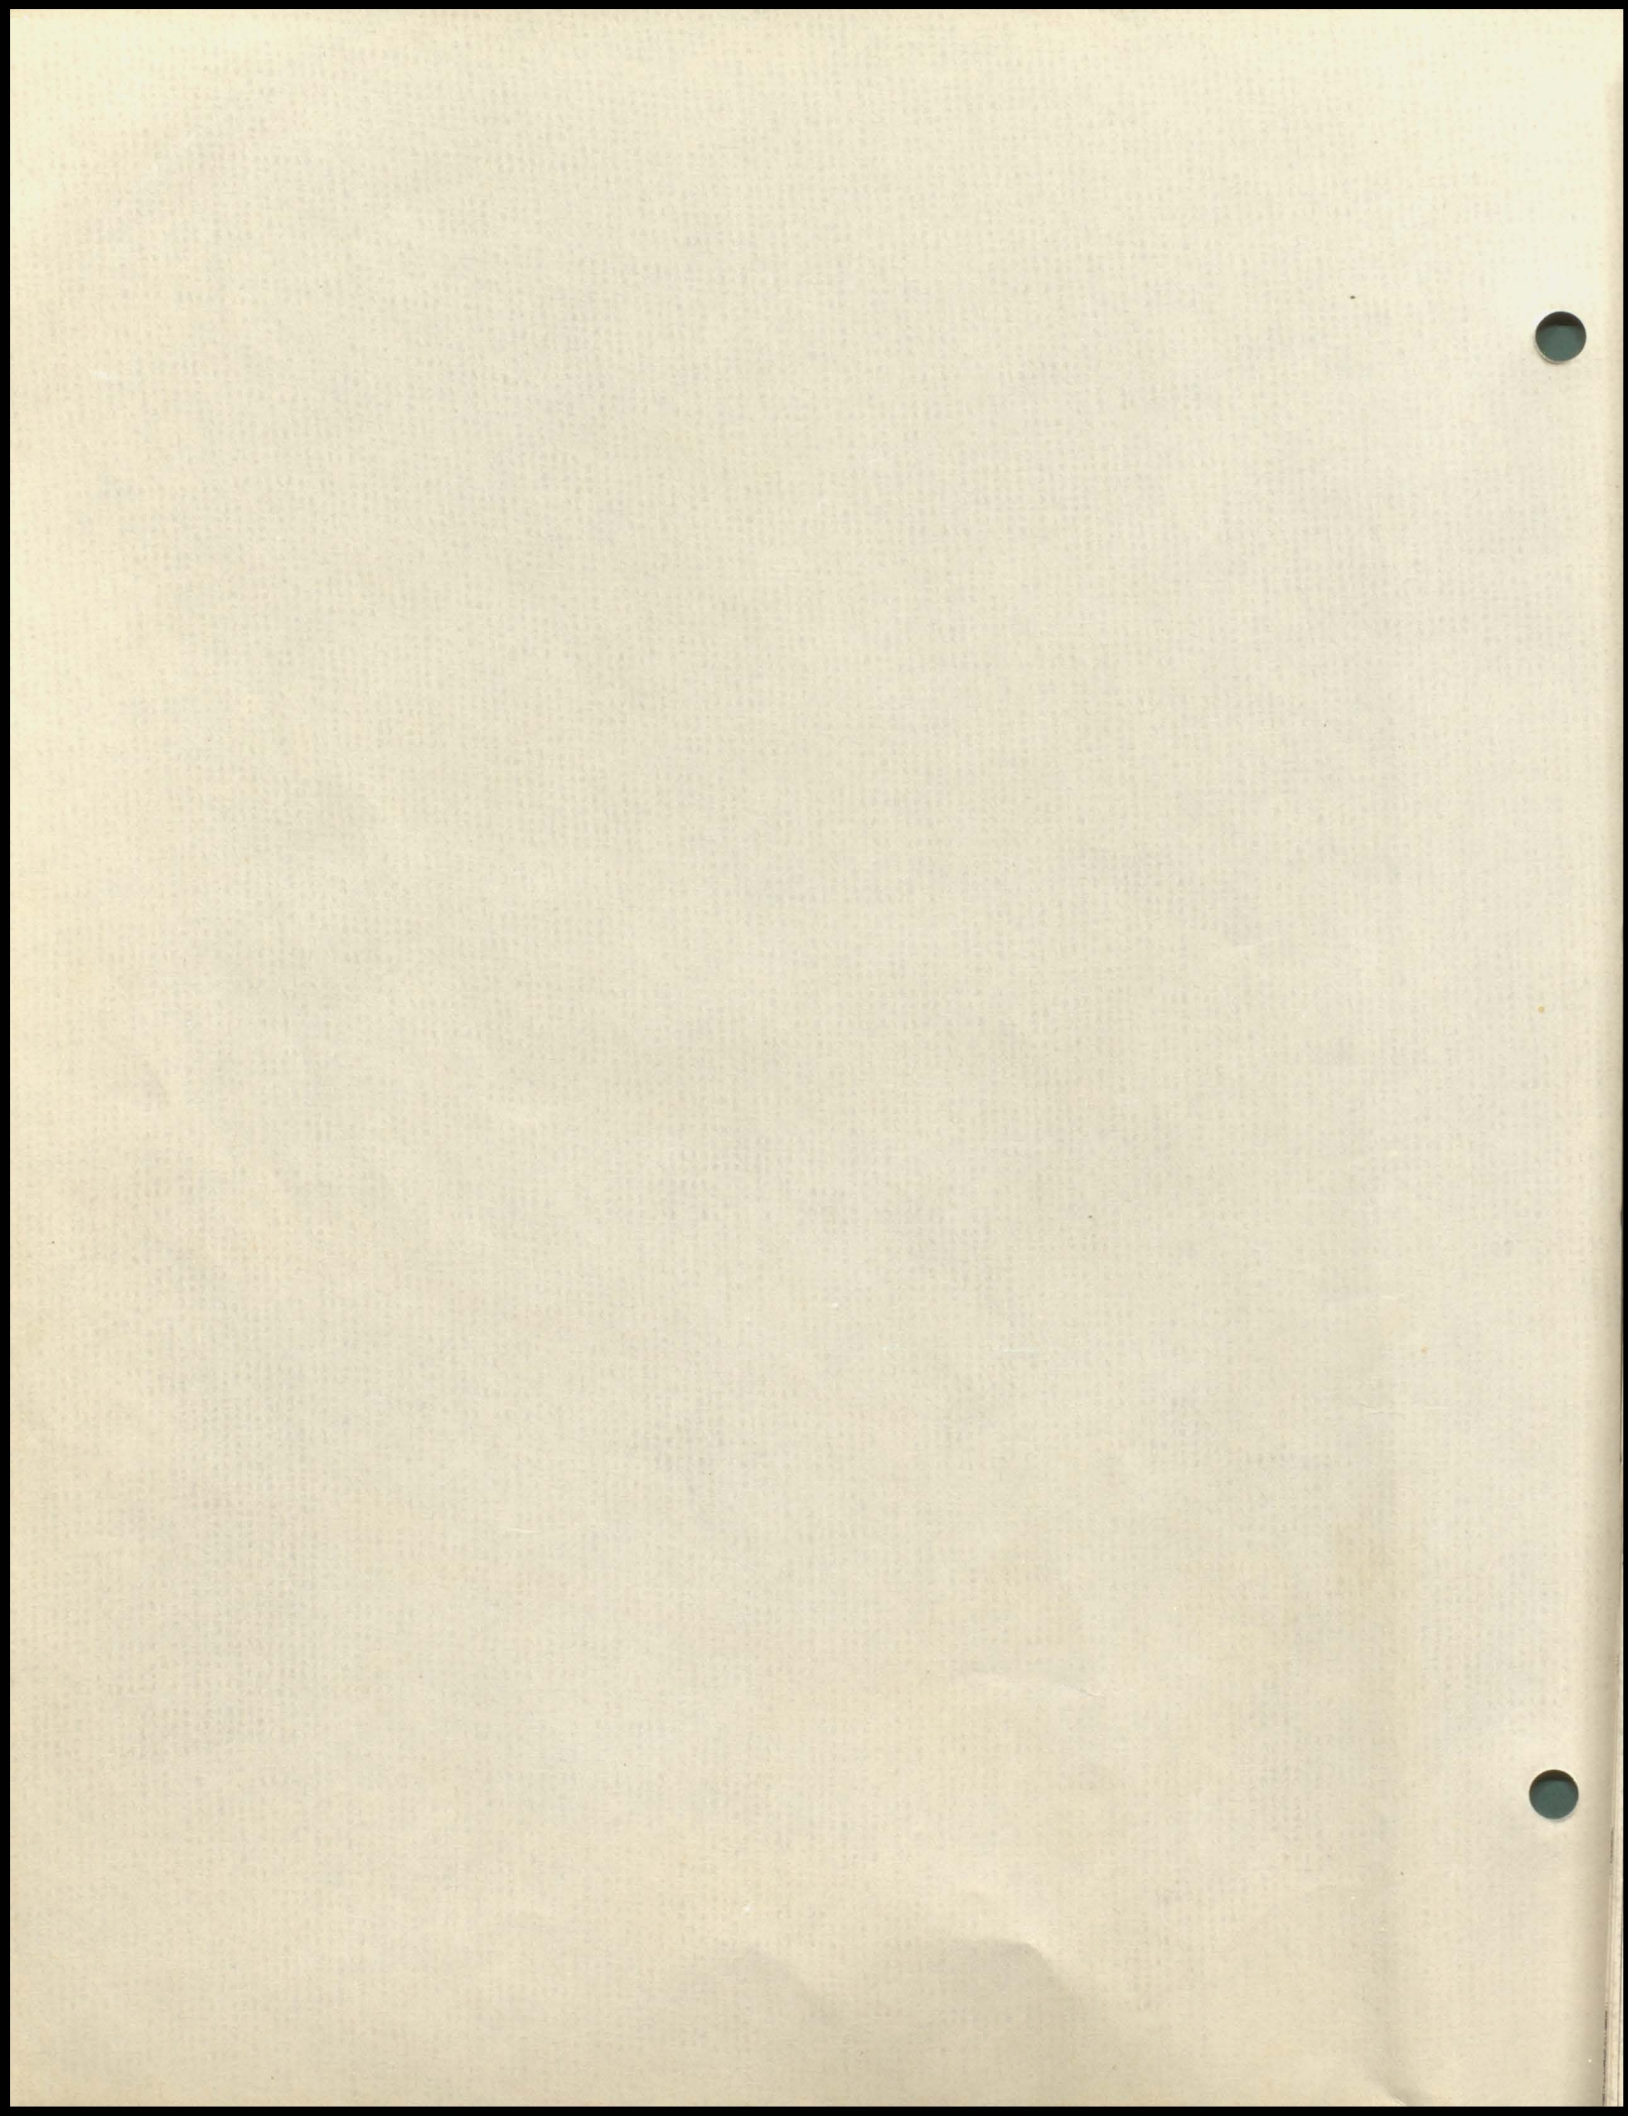

Some events of this year we all wish to remember; Presenting the "Tin Hero" to a public audience, also to the teachers of Bland County at a banquet set at C.H.S., for them. Another delightful evening for all was spent when we Juniors entertained the seniors on the school playground.

It is now our Senior year. Time is flying in 1942 and we have high hopes and ambitions for life upon graduation. The class consists of eighteen members with no losses or additions since our Junior year.

The class is sponsoring and producing the fourth volume of "THE MOUNTAINEER". The "Hen-pecked Husband" was presented and funds were raised for the boys' basketball suits. Several changes have been made in the faculty since last year. A new principal and assistant have taken over and things were going fine when Uncle Sam called our Agriculture teacher. We have a new teacher and things are going straight again but they don't seem like the days gone by when Mr. Rubrough was here and we had our recess and activity period.

So in completion of a high school course each senior signs off by wishing the other classmates the best of success and happiness in the future.

SENIOR CLASS

CLASS WILL

We, the members of the senior class of Ceres High School, having arrived at that point in realizing that dangers lurk along the trail, have decided to leave behind us for safe keeping in the hands of our faculty all our individual valuable belongings, towit, as follows namely:

Norma Harner leaves her ability to make good grades to her sister Vivian.

Lois Winesett wills her modest ways to Dorothy Greggar.

Eleanor Crabtree gets Lillian Foglesong's hopes for the future.

Anna Catherine Brown leaves her mild temperament to Dixie Neel.

Edith Cox leaves her ability to collect boy friends to Naomi Umberger.

Janie McFarlane wills her bashfulness to Wanda Neel.

Max Harner leaves his stubbornness to Don Groseclose because Don is so willful.

Filmore Cassell wills his love for Eleanor to Yorke Hubble hoping he will at least be able to keep it.

Herman Neel wills his ability to grow a mustache to Don Groseclose.

Billy Hubble gets Wayne Neel's flirting ways.

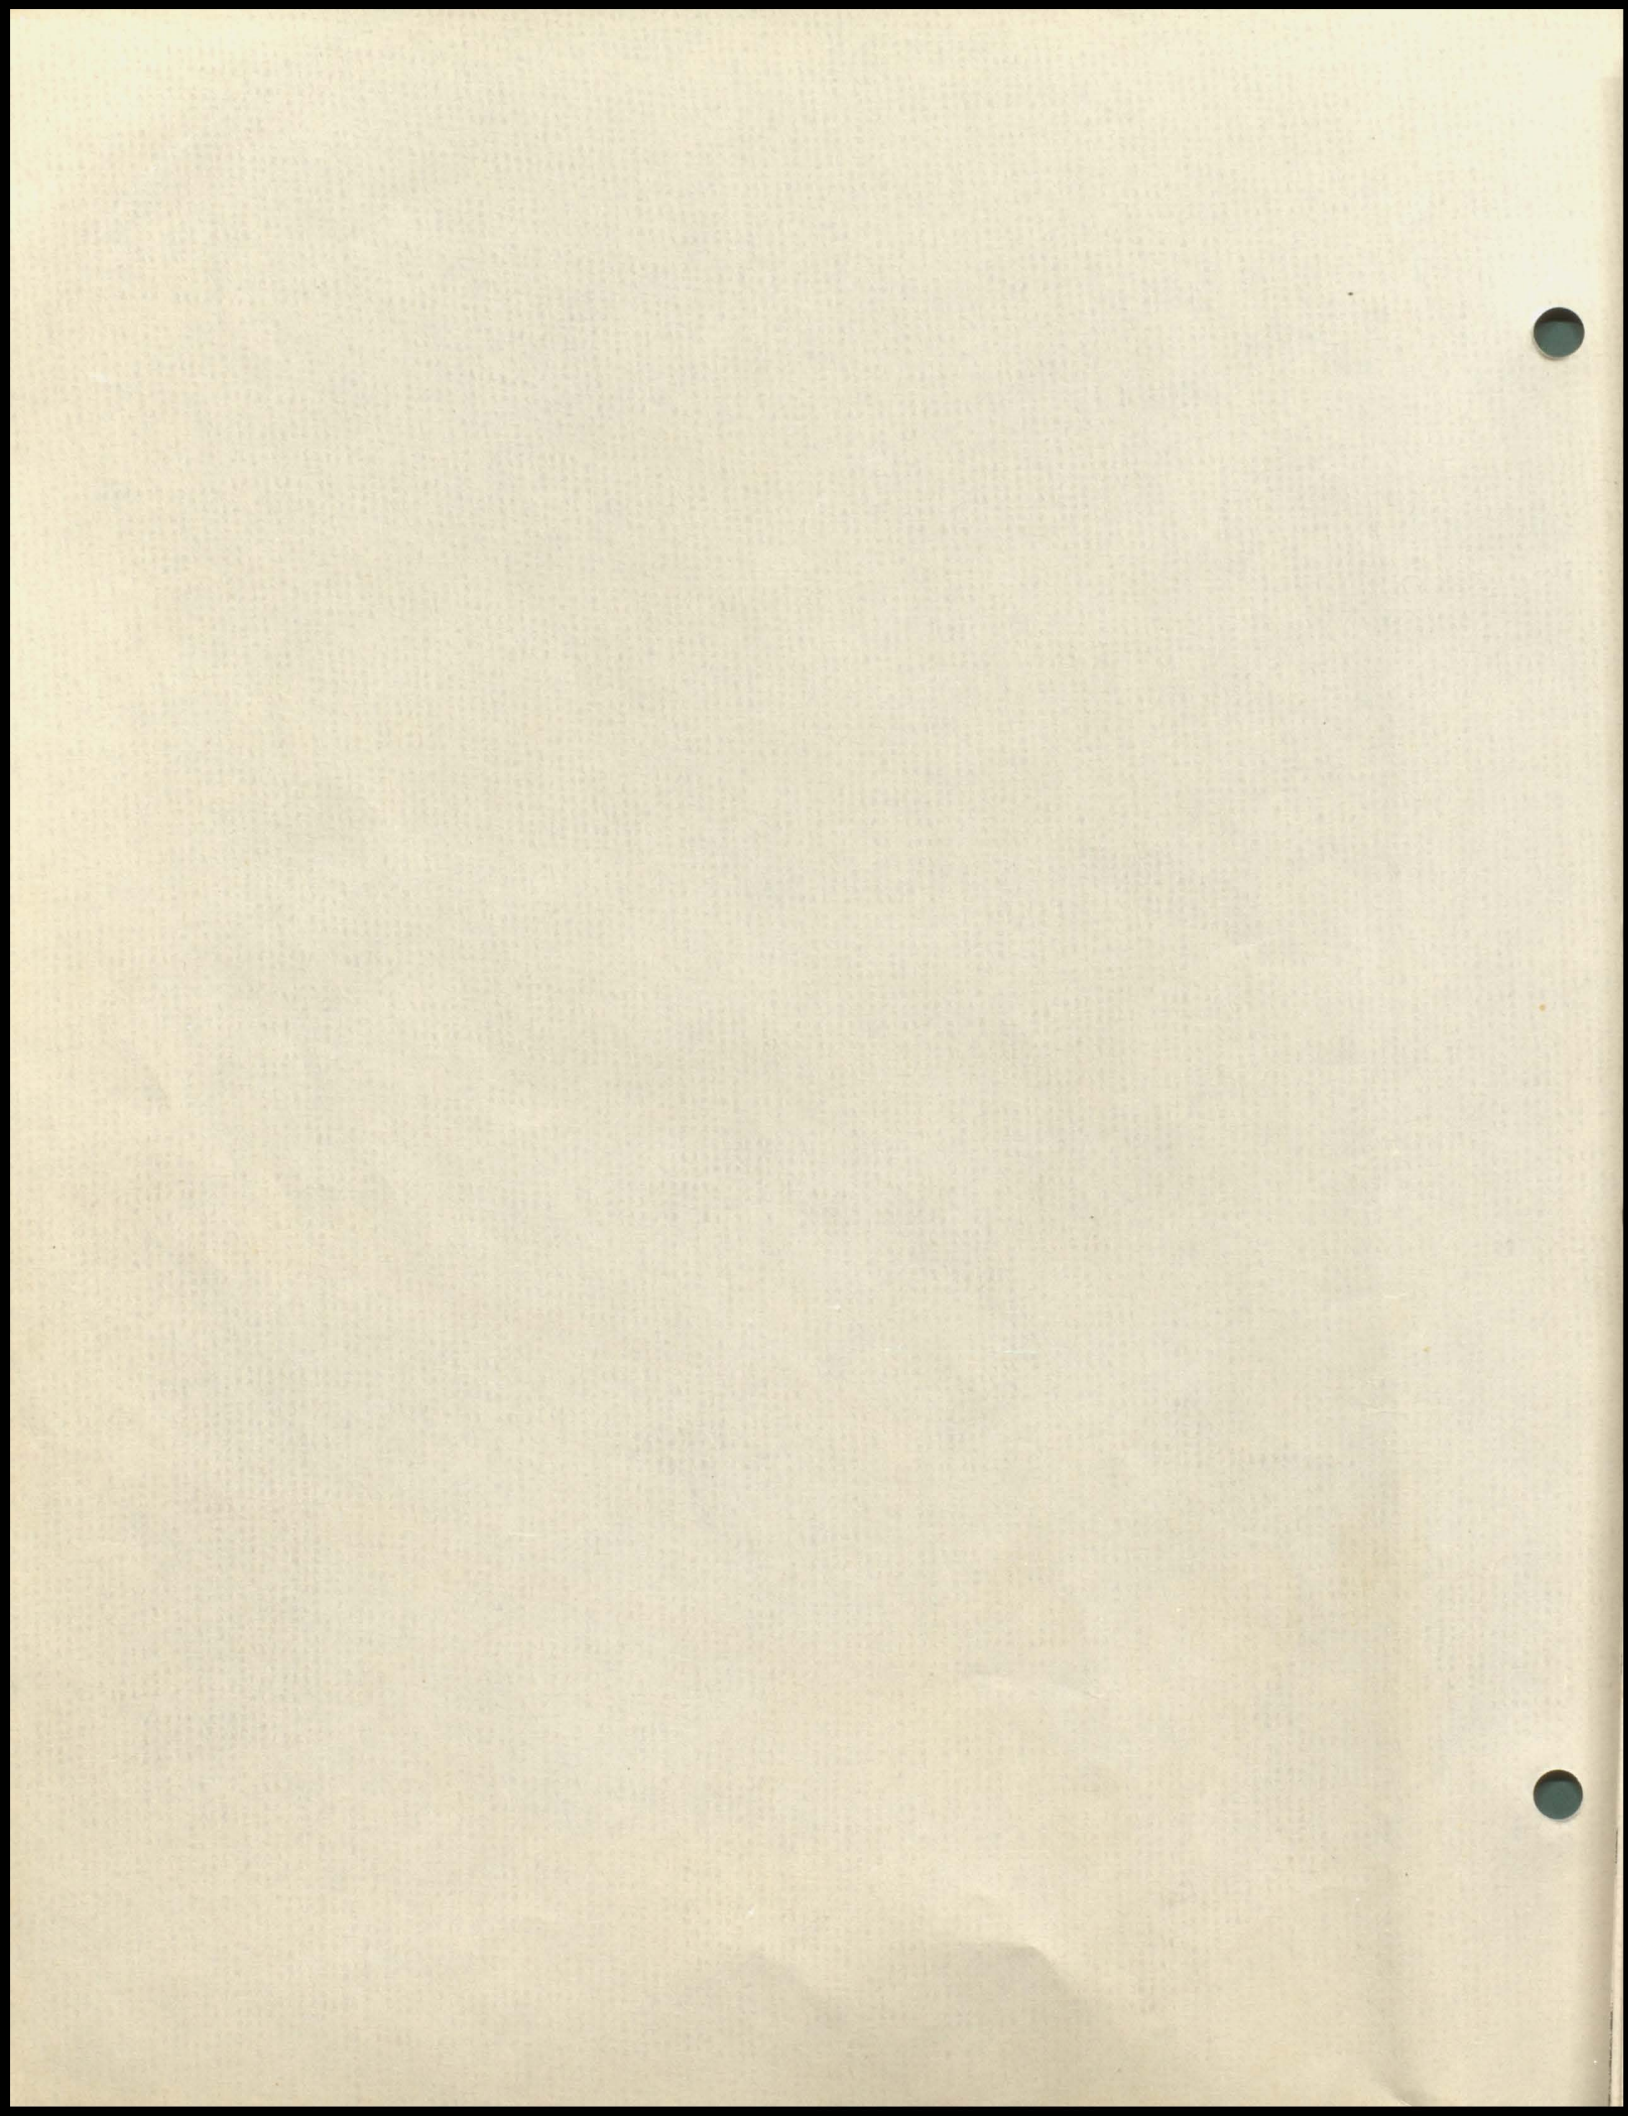

Carrington Neel wills his height to Joe Groseclose hoping that he will grow an inch or two.

Herbert Cooper leaves his joking ways to Helen Hanshew.

Arten Repass leaves his salesman ability to Selma Bogle wishing her success in selling ads next year.

Warren Thompson wills his arguing ability to Ida Groseclose.

Warren Hubble leaves his ability to take things easy to Yorke Hubble.

Kenneth Hubble wills his puppy dog adoration of girls to J. C. Kidd.

Happy Wilson leaves his sporting ways to the one who will take the best advantage of them next year.

Ralph Austin leaves his ability to assign lessons in charge of the teachers next year.

Collectively we leave:

To our teachers we leave the hope that they may some day have the privilege of teaching students as well behaved and intelligent as we have been.

To our alma mater we leave our love, our loyalty, and our unfaltering belief that she is the best high school anywhere.

In witness whereof, we have as president and secretary respectively, on behalf of the class of 1942, hereunto set our hands.

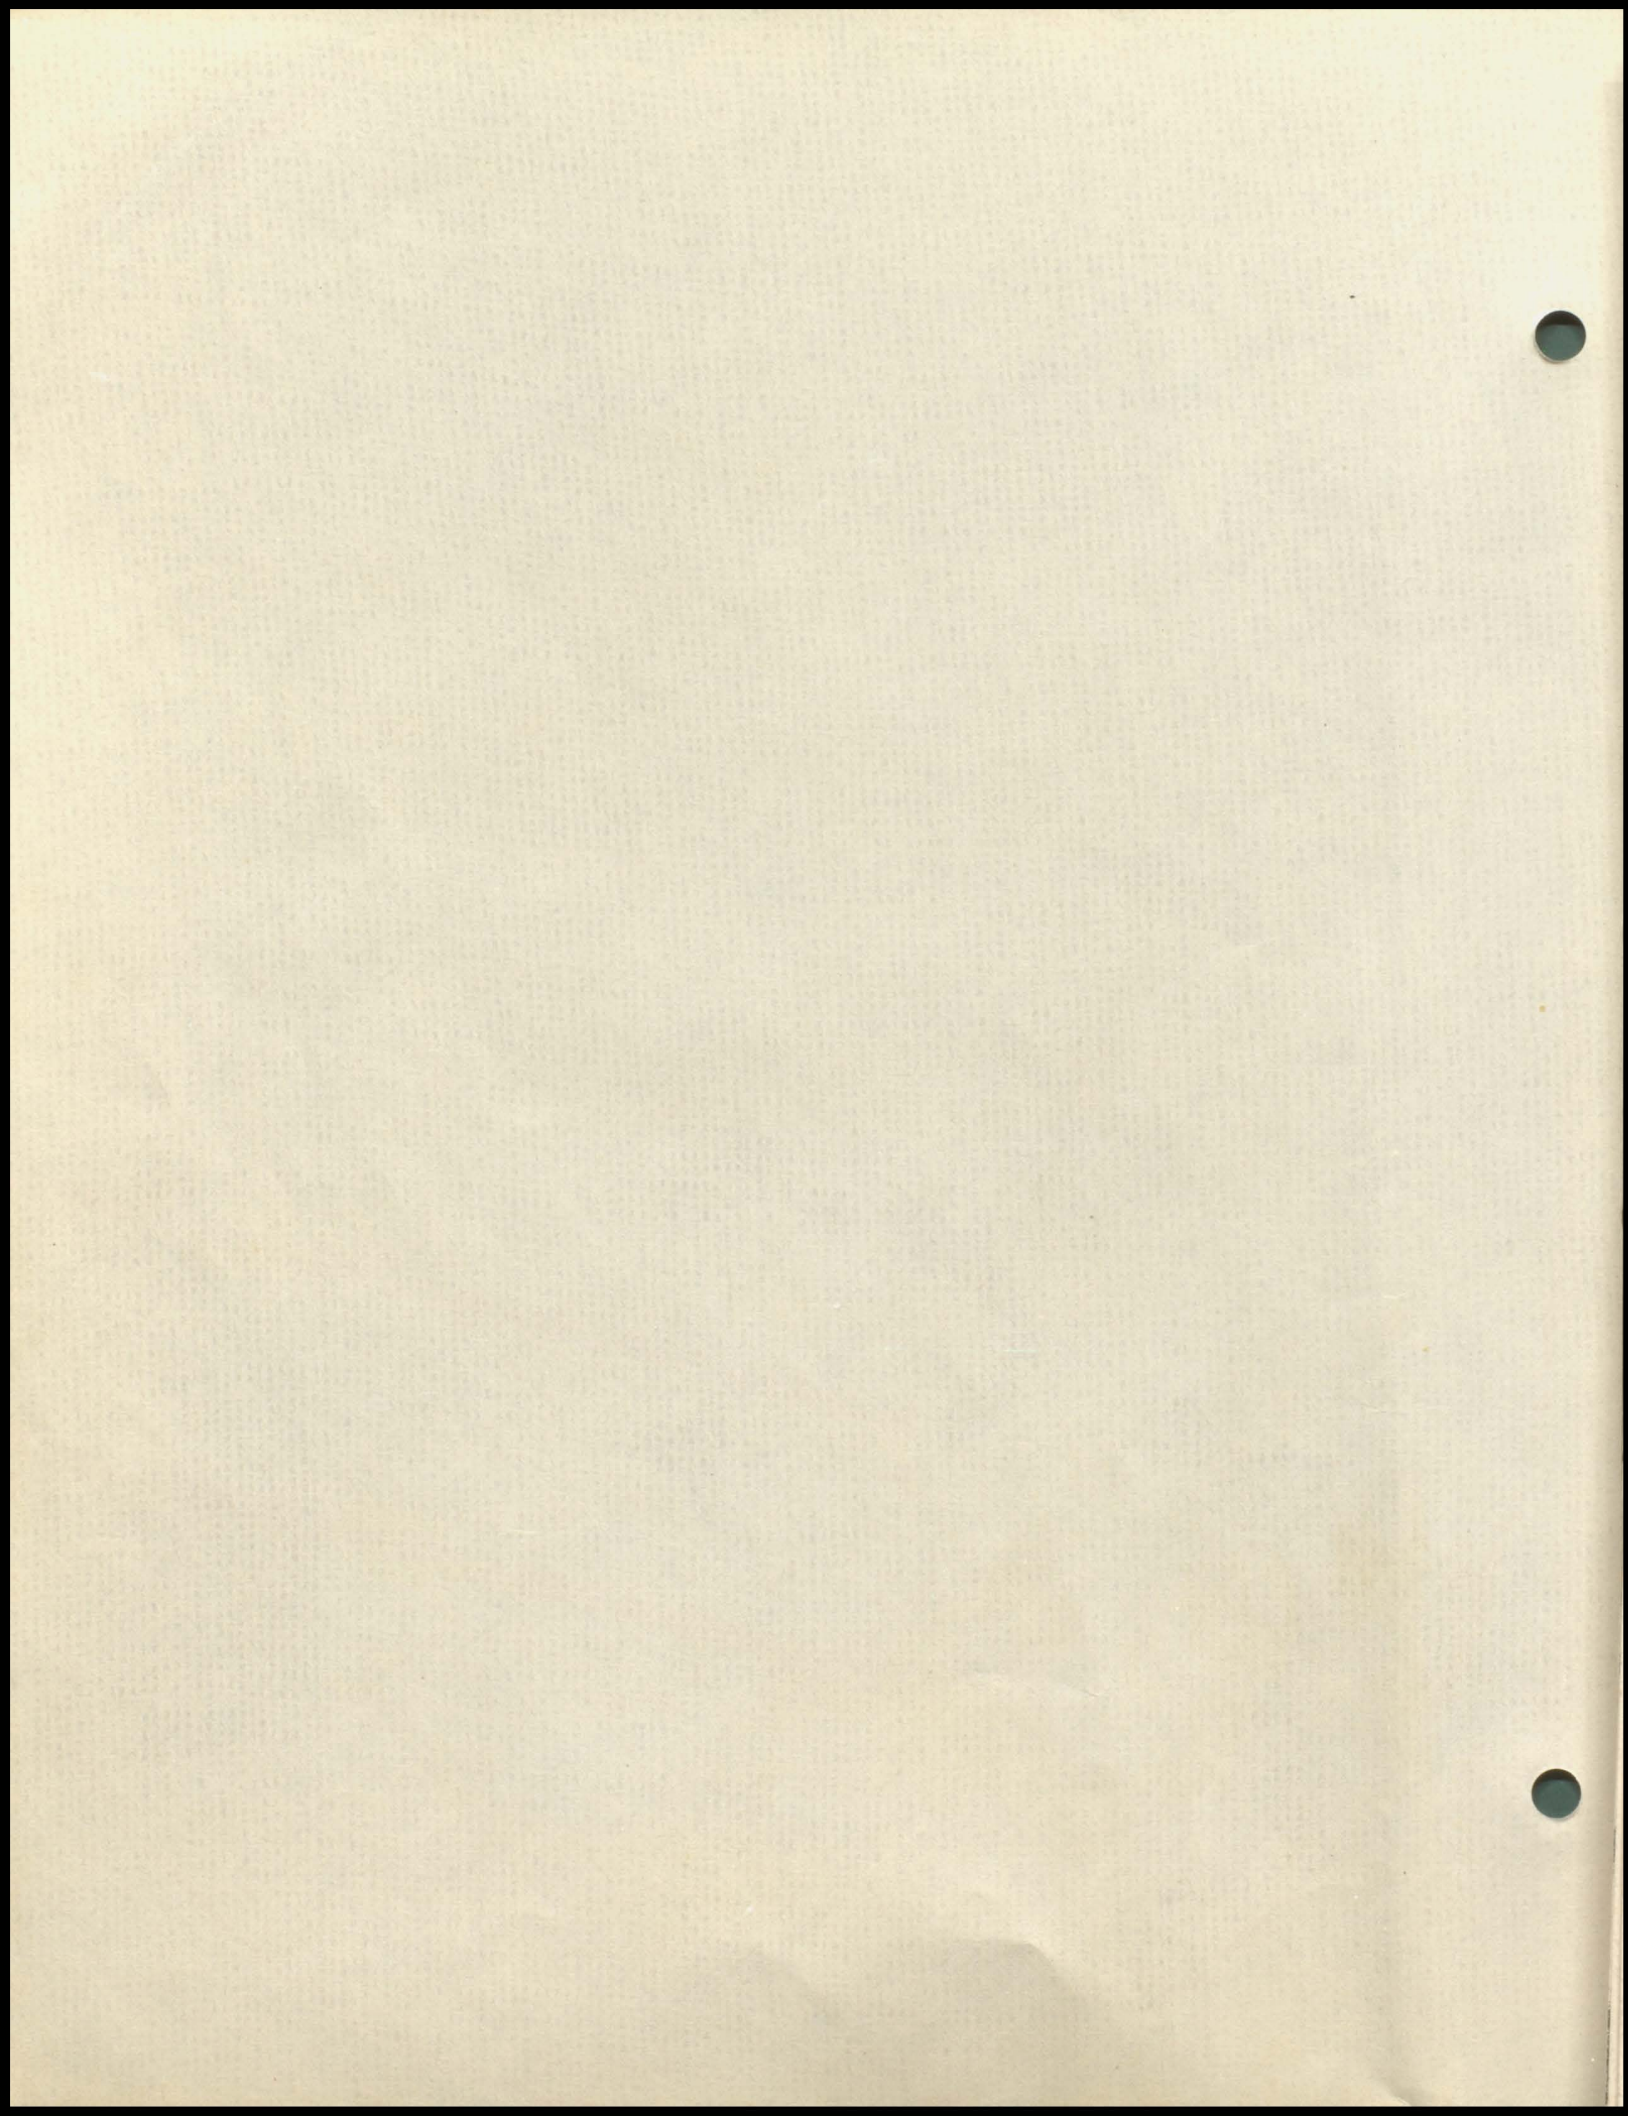

Edith Cox President

Norma Harner Secretary

Juniors History Of 1942

Permit us, as Juniors of this year to give some account of our past two years of high school, our fortunes and hopes.

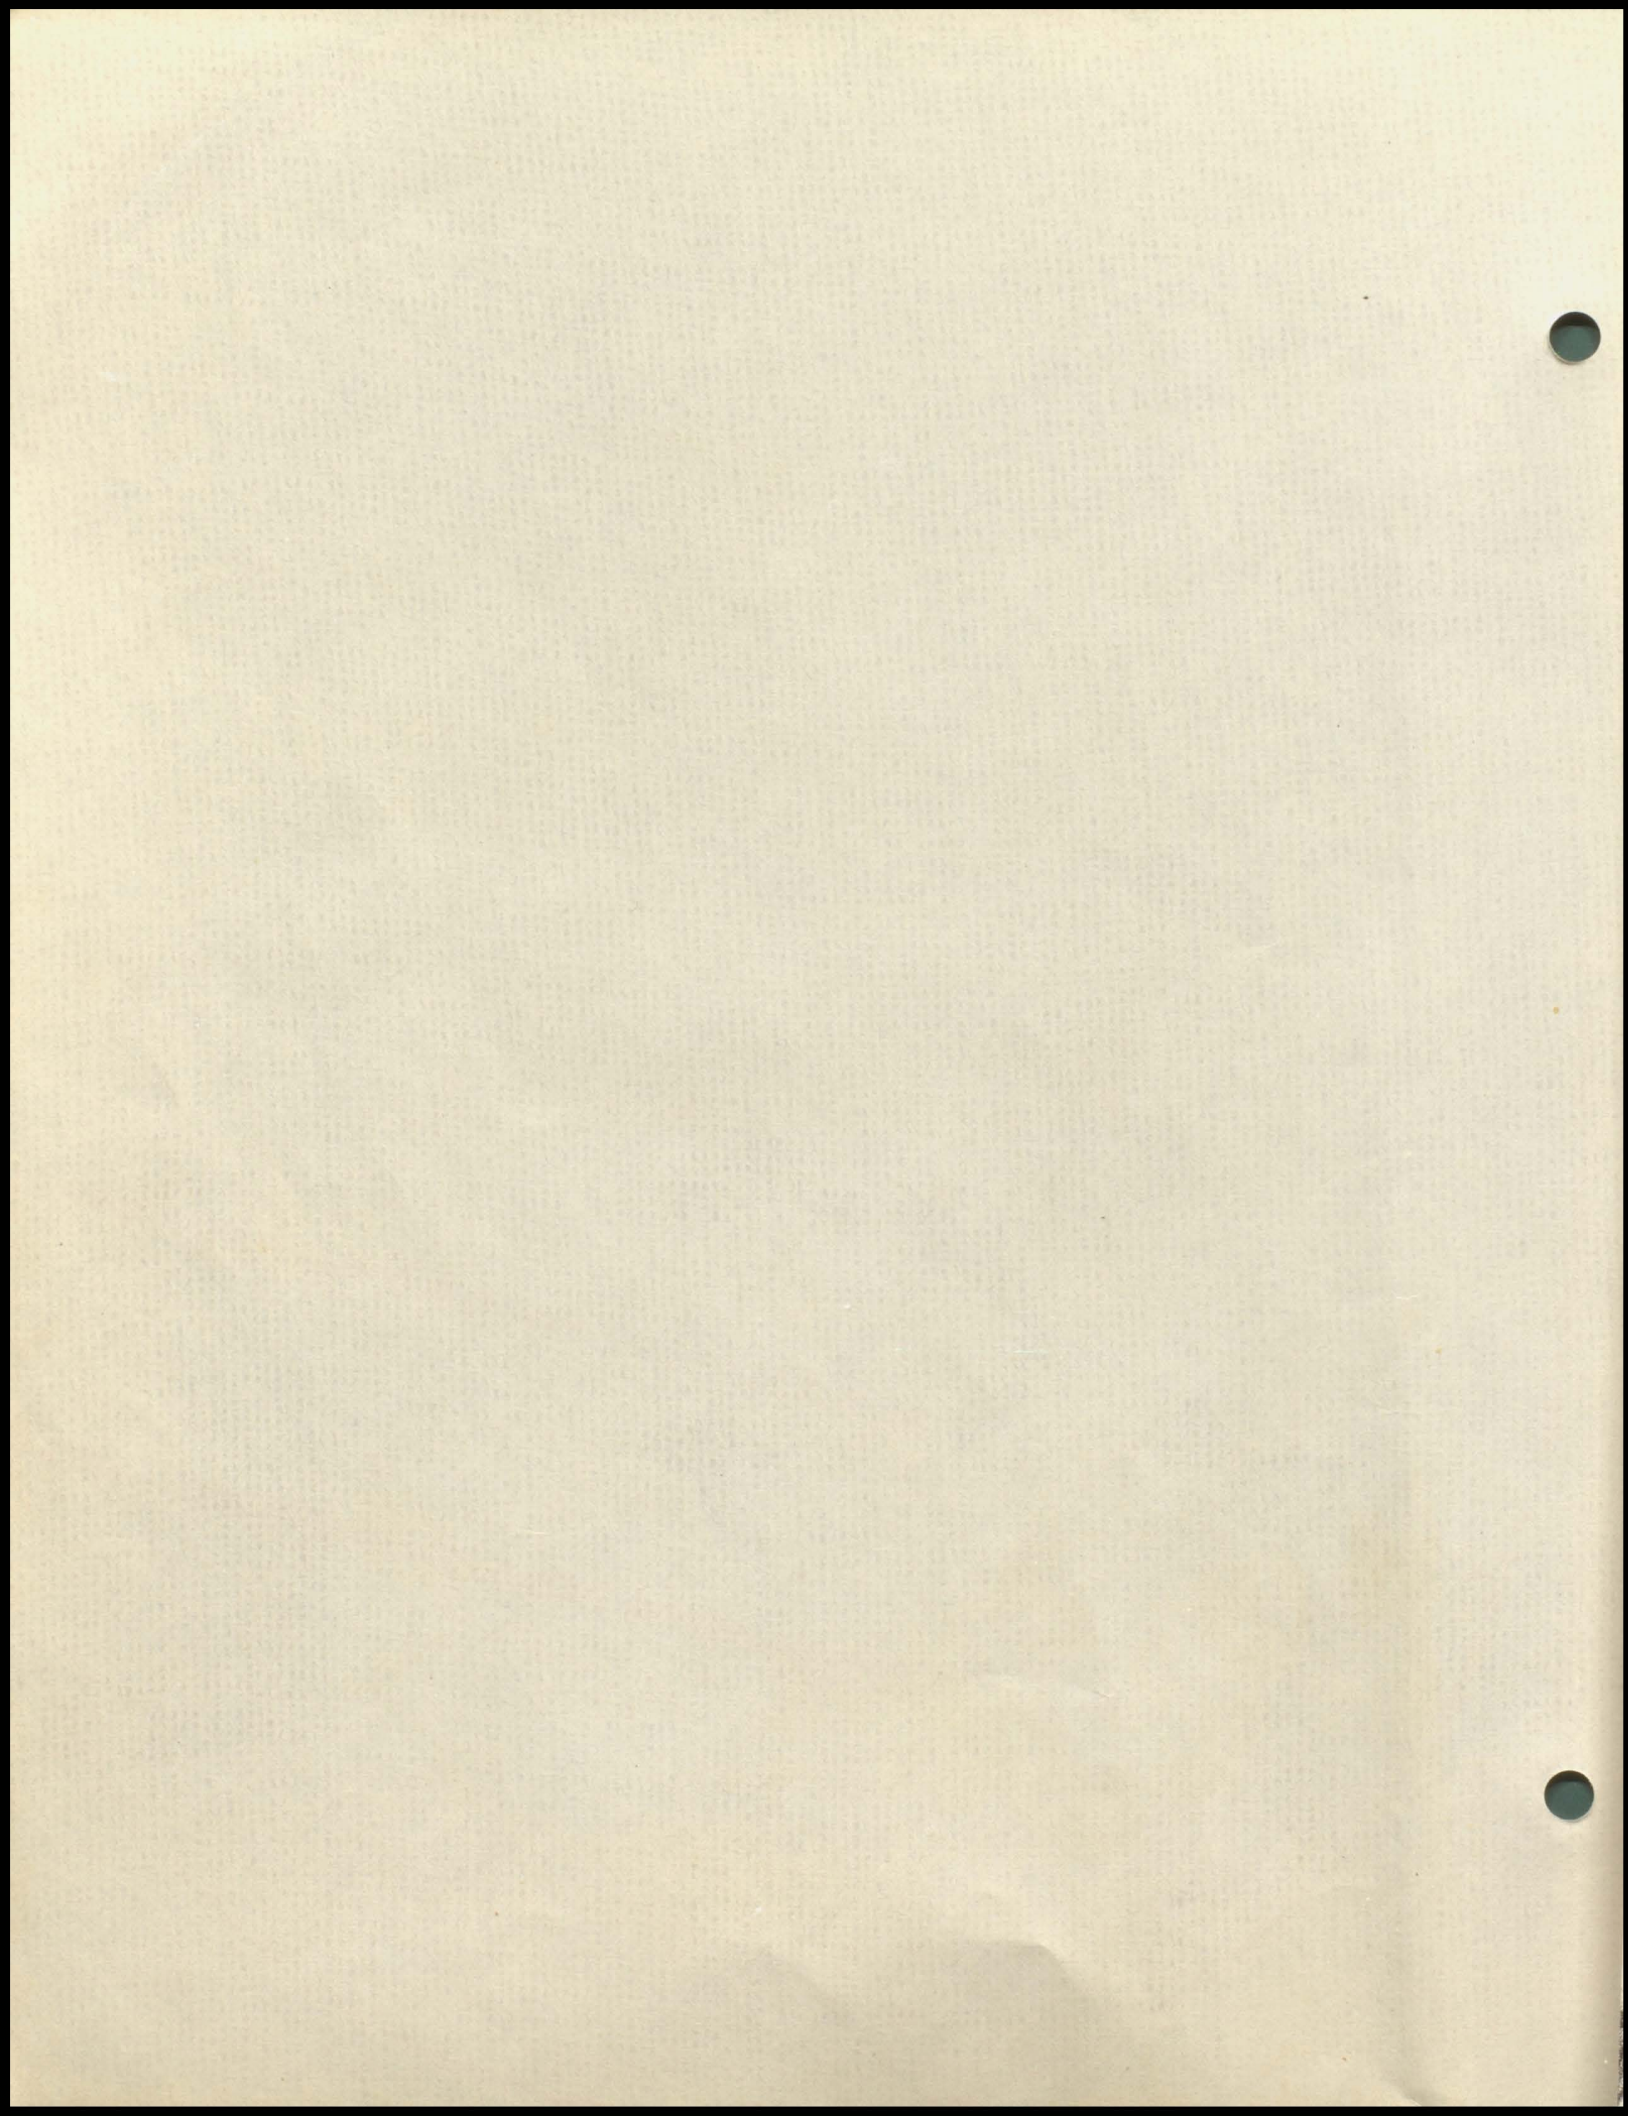

In the fall of 1939 we entered Ceres High School, very proud of our past accomplishments in school work, but more eager than ever to step into the rank as seniors. At that time Selma Bogle, Gwendolyn Burke, Alda Cox, Eleanor Crabtree, Ruth Groseclose, Helen Hanshew, Gladys Harden, Vivian Harner, Donald Groseclose, Eula Mae Neel, Trula Neel, Anna Wayne Tibbs, Erma Tibbs, Naomi Umbarger, Pauline Umbarger, Thelma Williams, Alvin Crabtree, and Billy Hubble composed our fair sized roll.

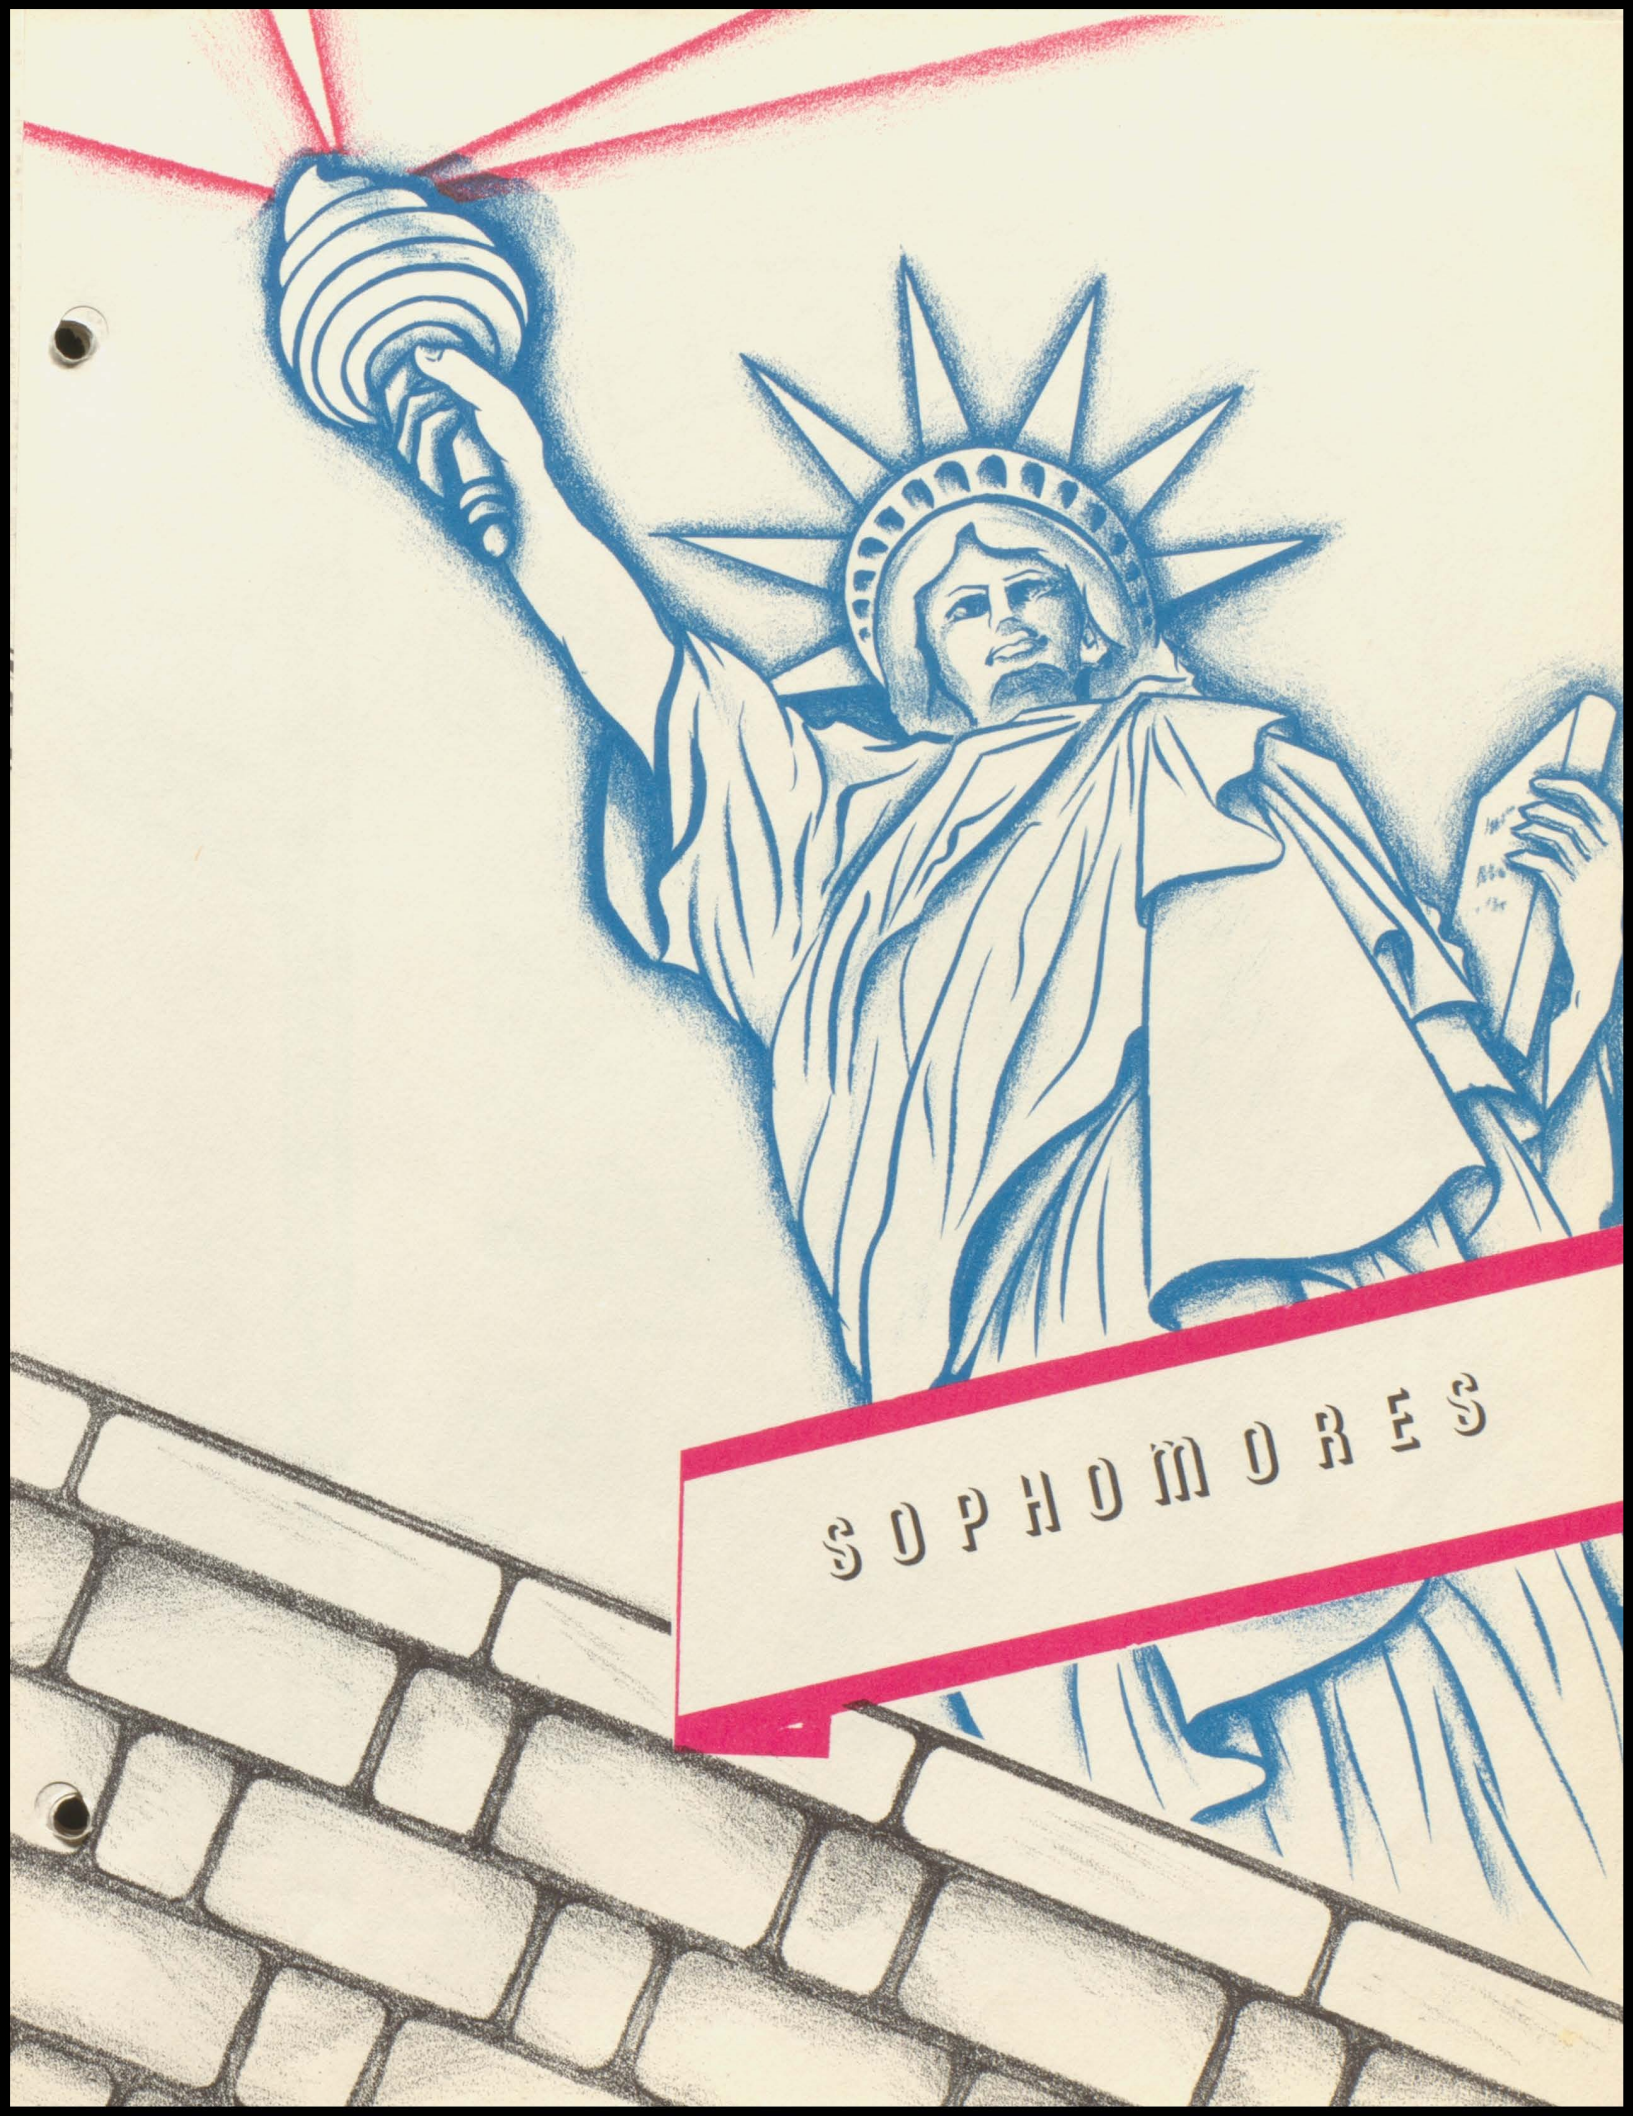

We regret, however, that at the end of our freshman year we lost a few members, namely: Anna Wayne Tibbs, Pauline Umbarger, Thelma Williams, and Trula Neel.

To repay us for loss, we gained in our Sophomore year another step toward our cherished goal and a new member, Ida Groseclose.

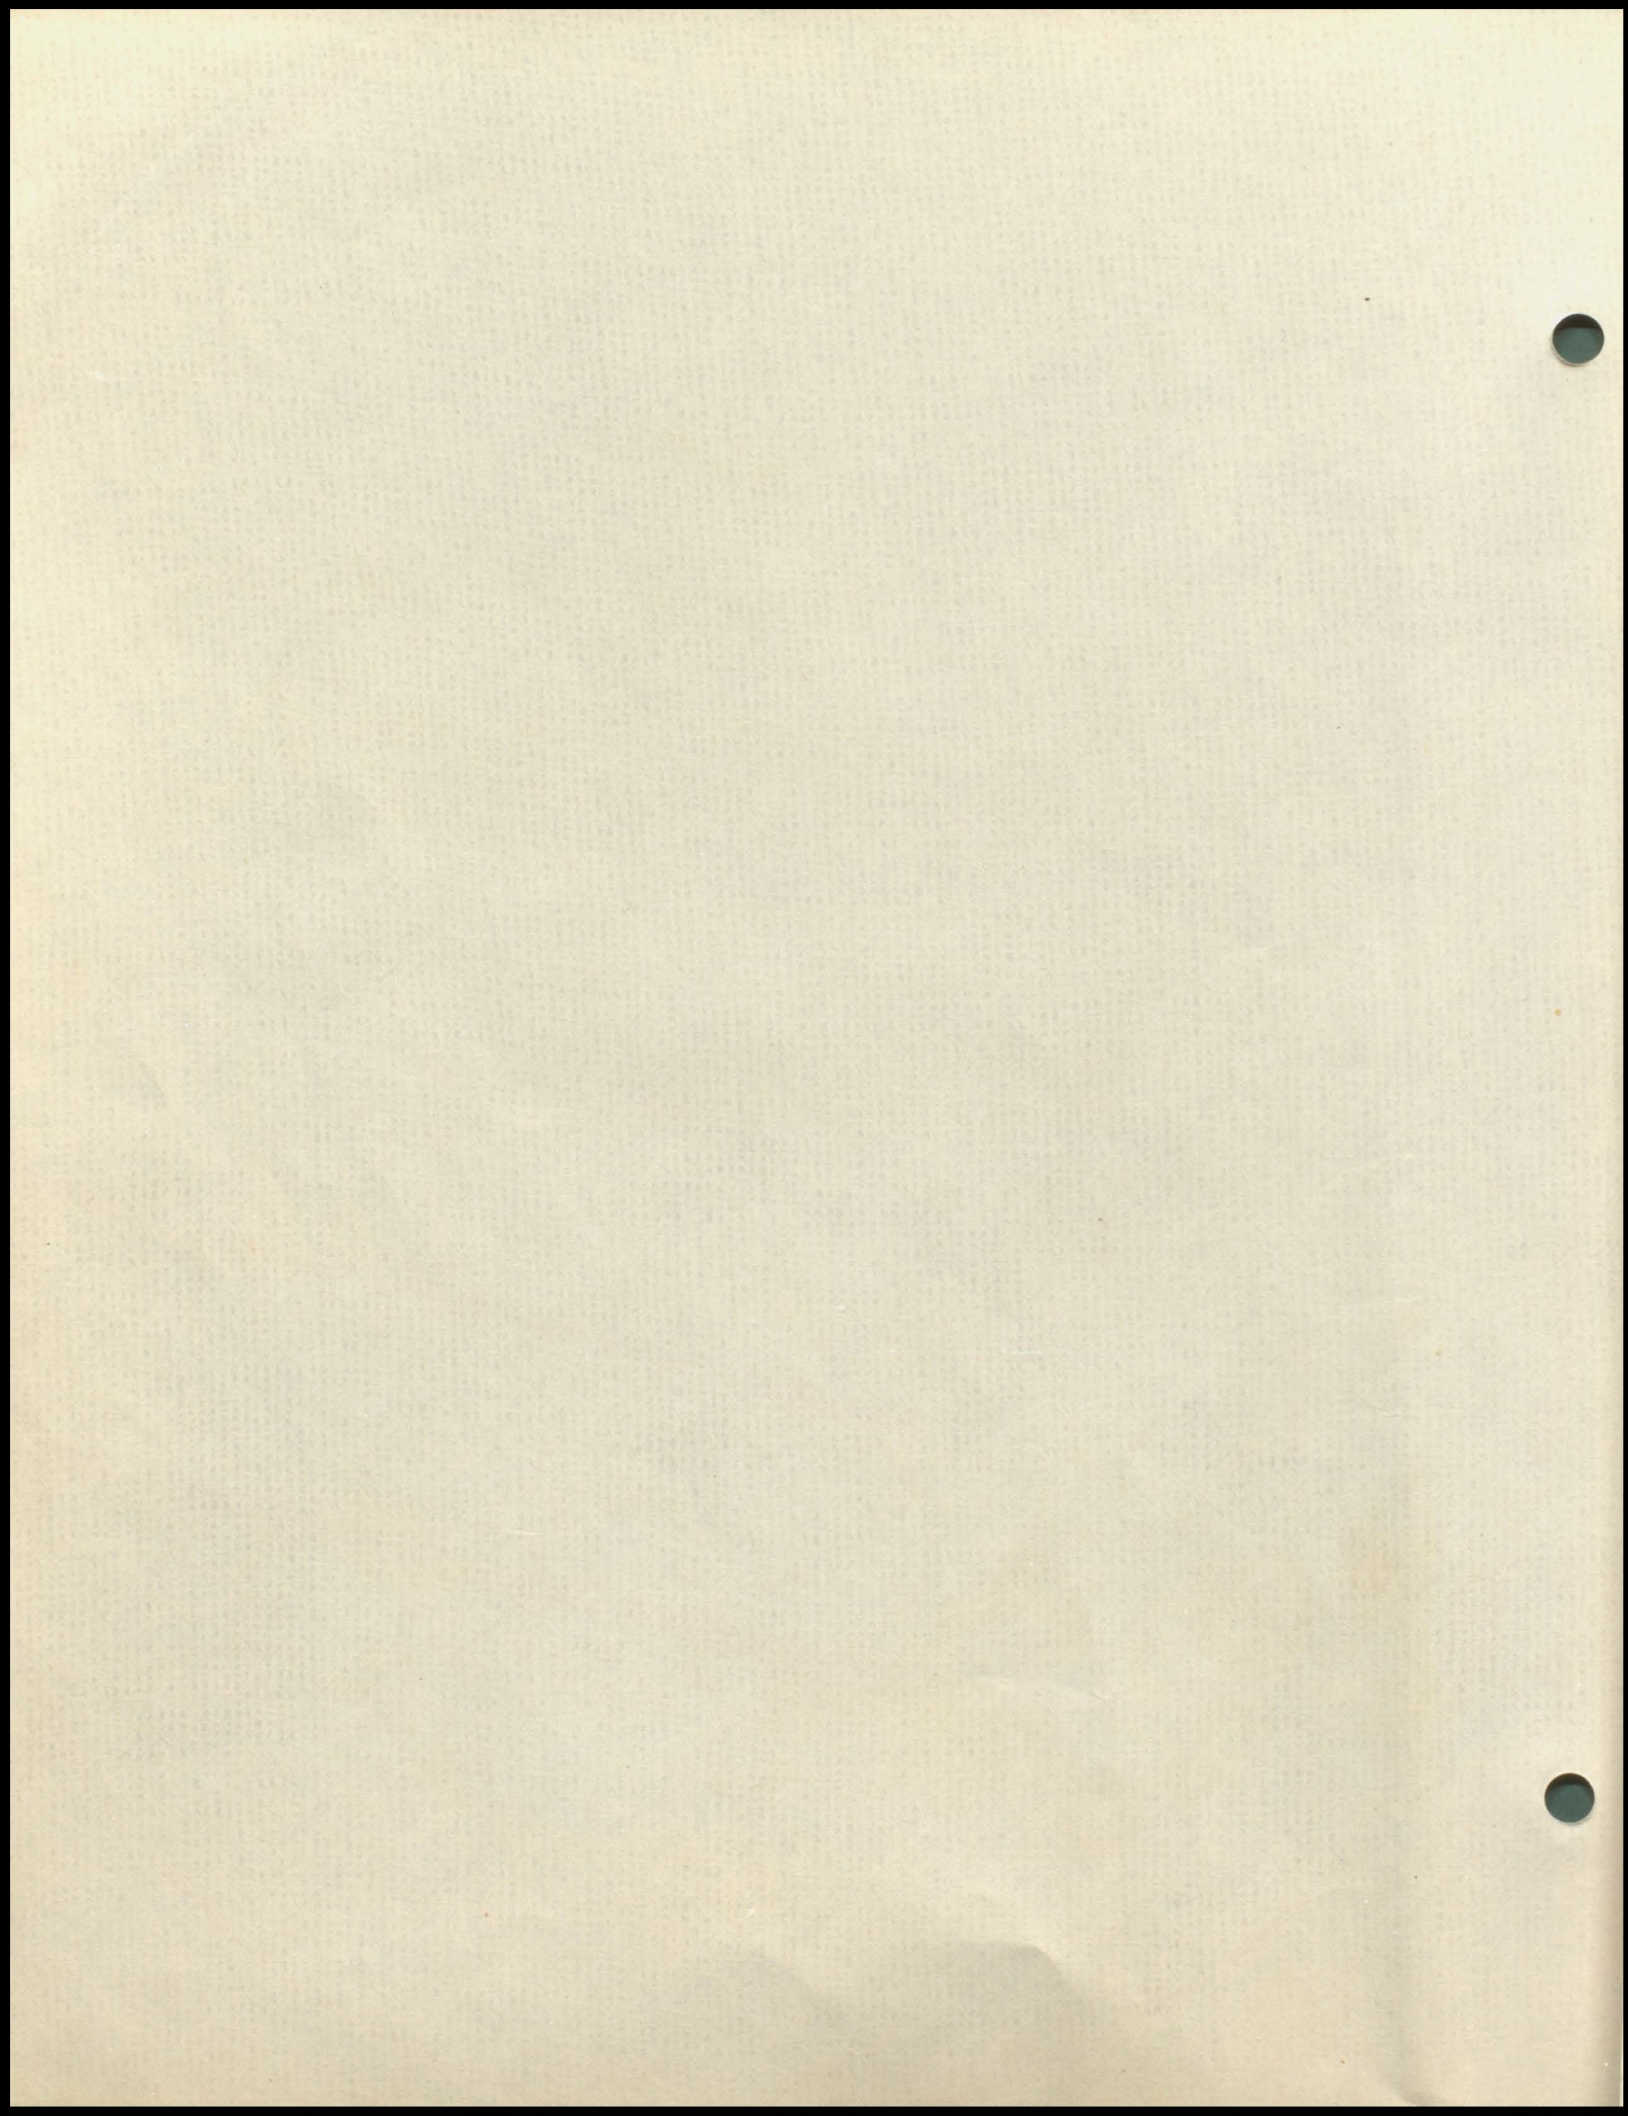

Almost before we realized it we were Juniors welcoming another class member, Yorke Hubble.

Senior year is just ahead of us now and during it and the years coming after may we still be under the American flag and Government, always striving for what is right and fair.

Class Colors-----Red, white and blue
Motte-----"United we stand, divided we fall."

It was September the fifth a calm and peaceful day, that a ship anchored at Ceres for a four year stay.

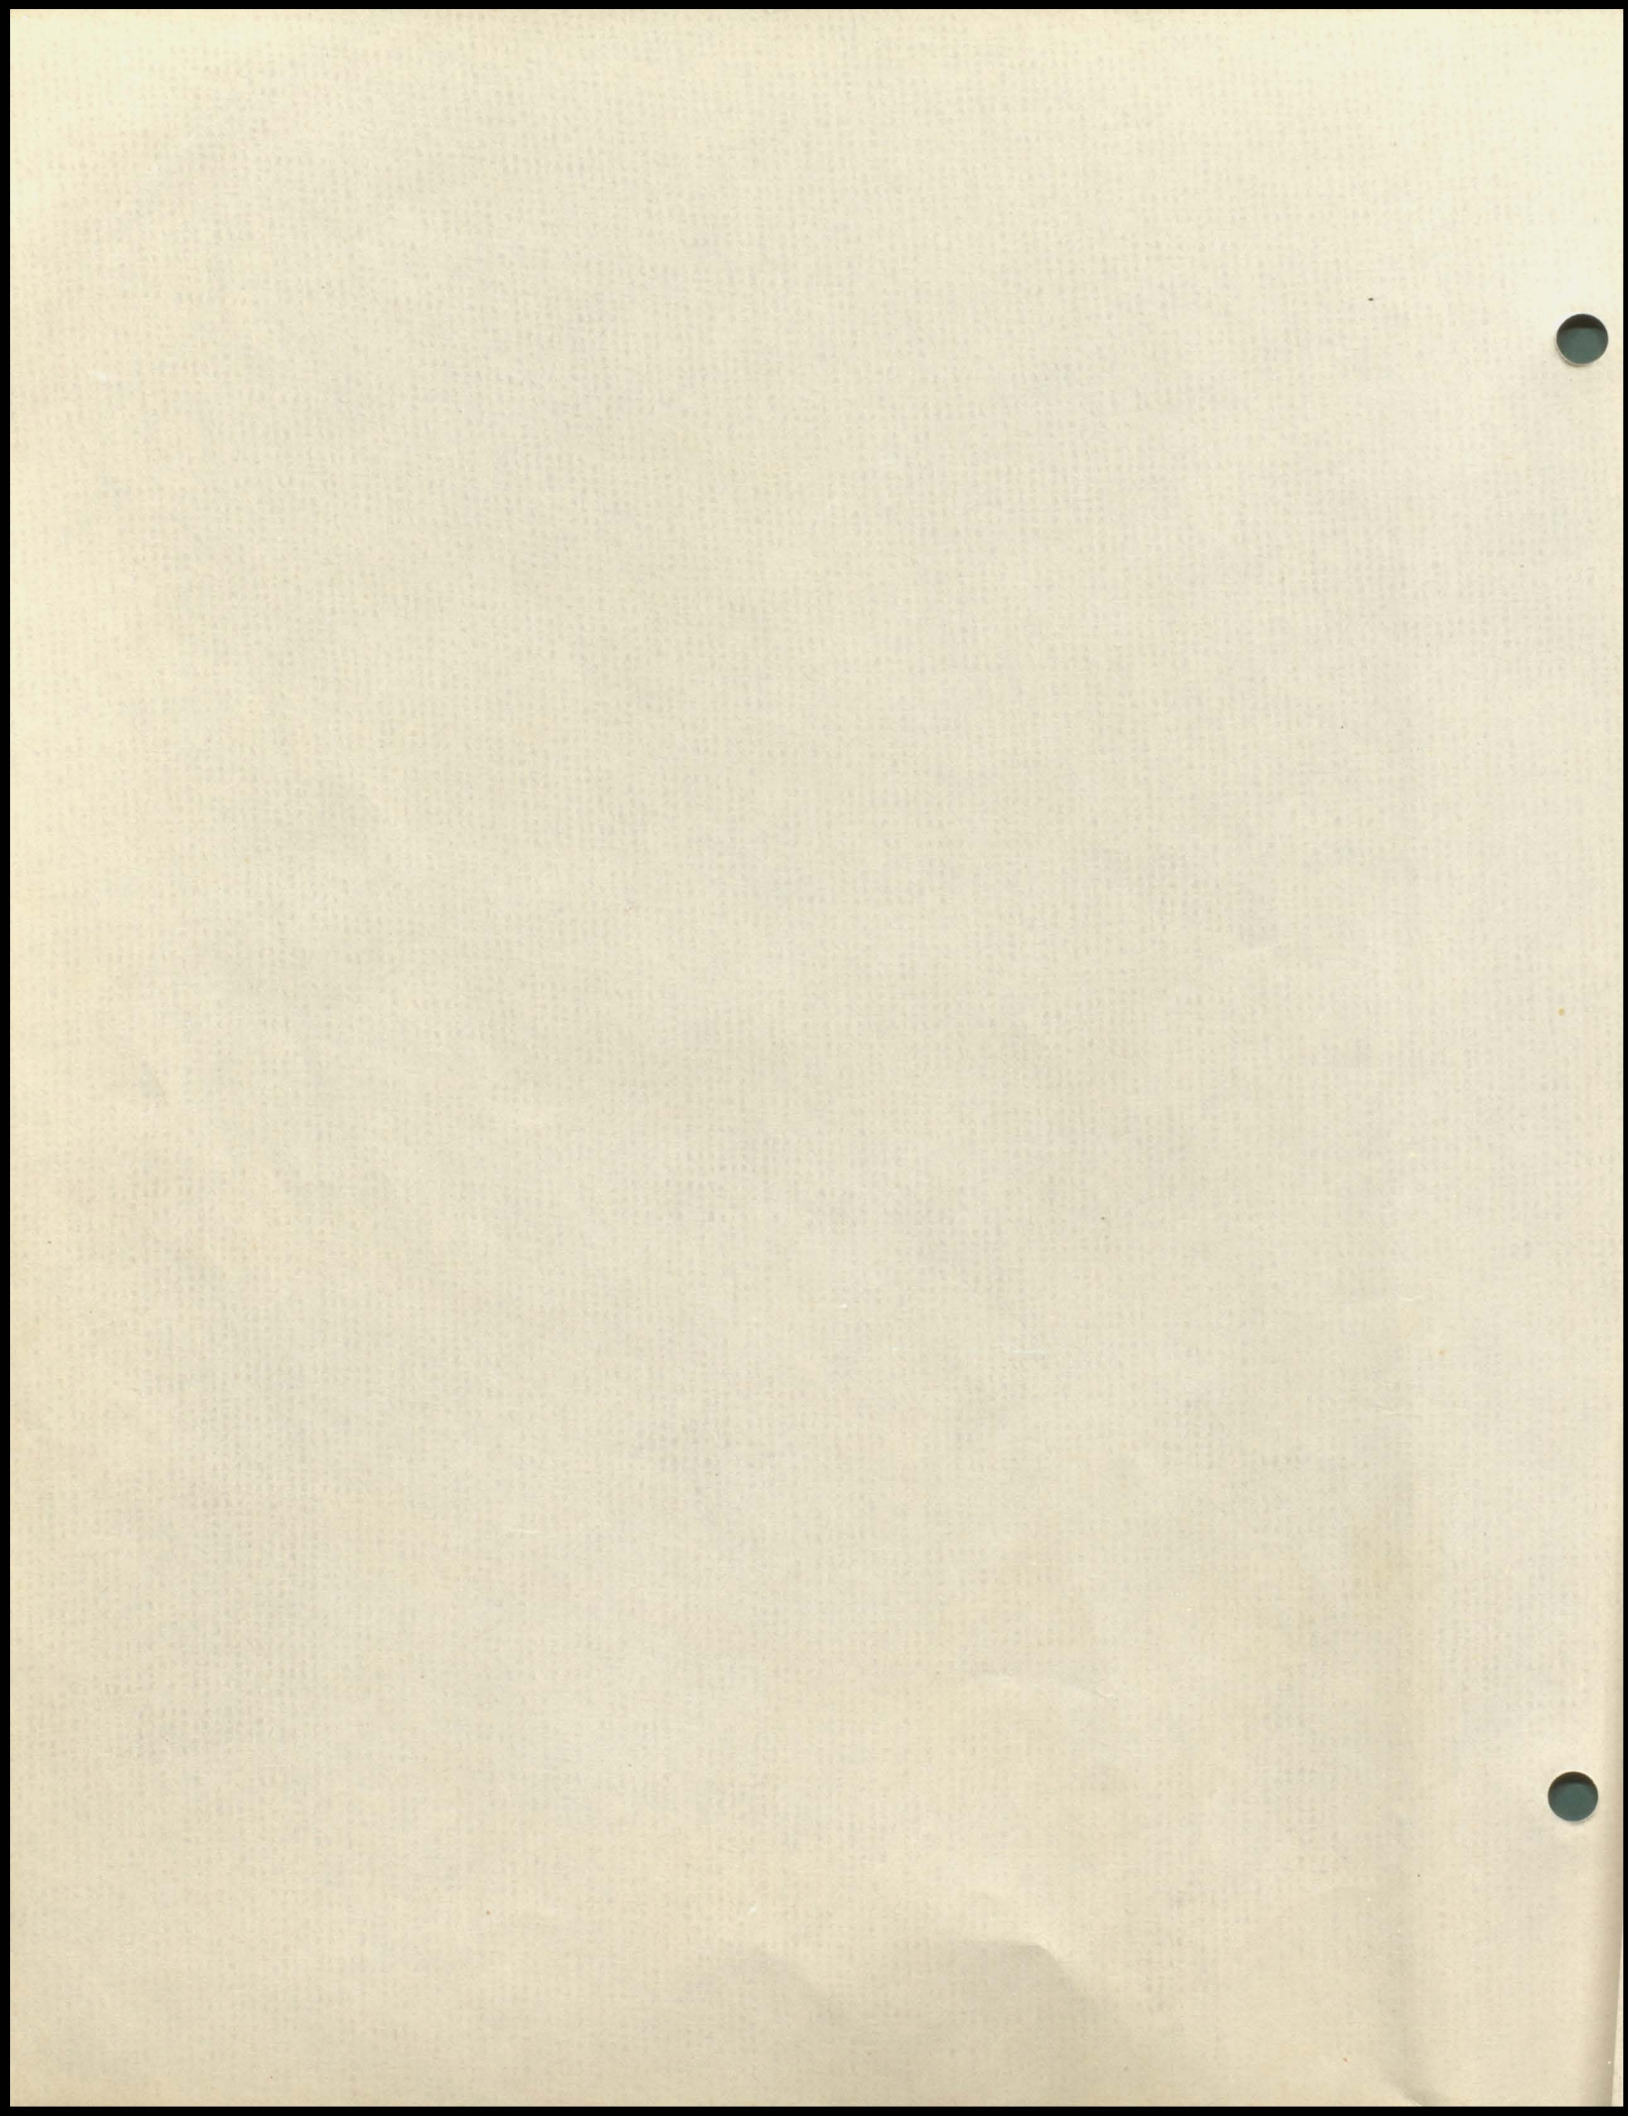

One year passed and the crew still cling together though some have fallen away; namely; Macie Atkins, Bruce Hardin and Lois Williams. Those still faithful are; Mildred Cox, Dixie Neel, Dorthy Cregger, Hazel Walters, Marie Kidd. Claude Davis, Joe Groseclose and Wayne Bruce.

We are happy to have a new member this year, Pauline Umbarger.

Another year has dawned bringing mingled hardships and joy and causing questions for the future.

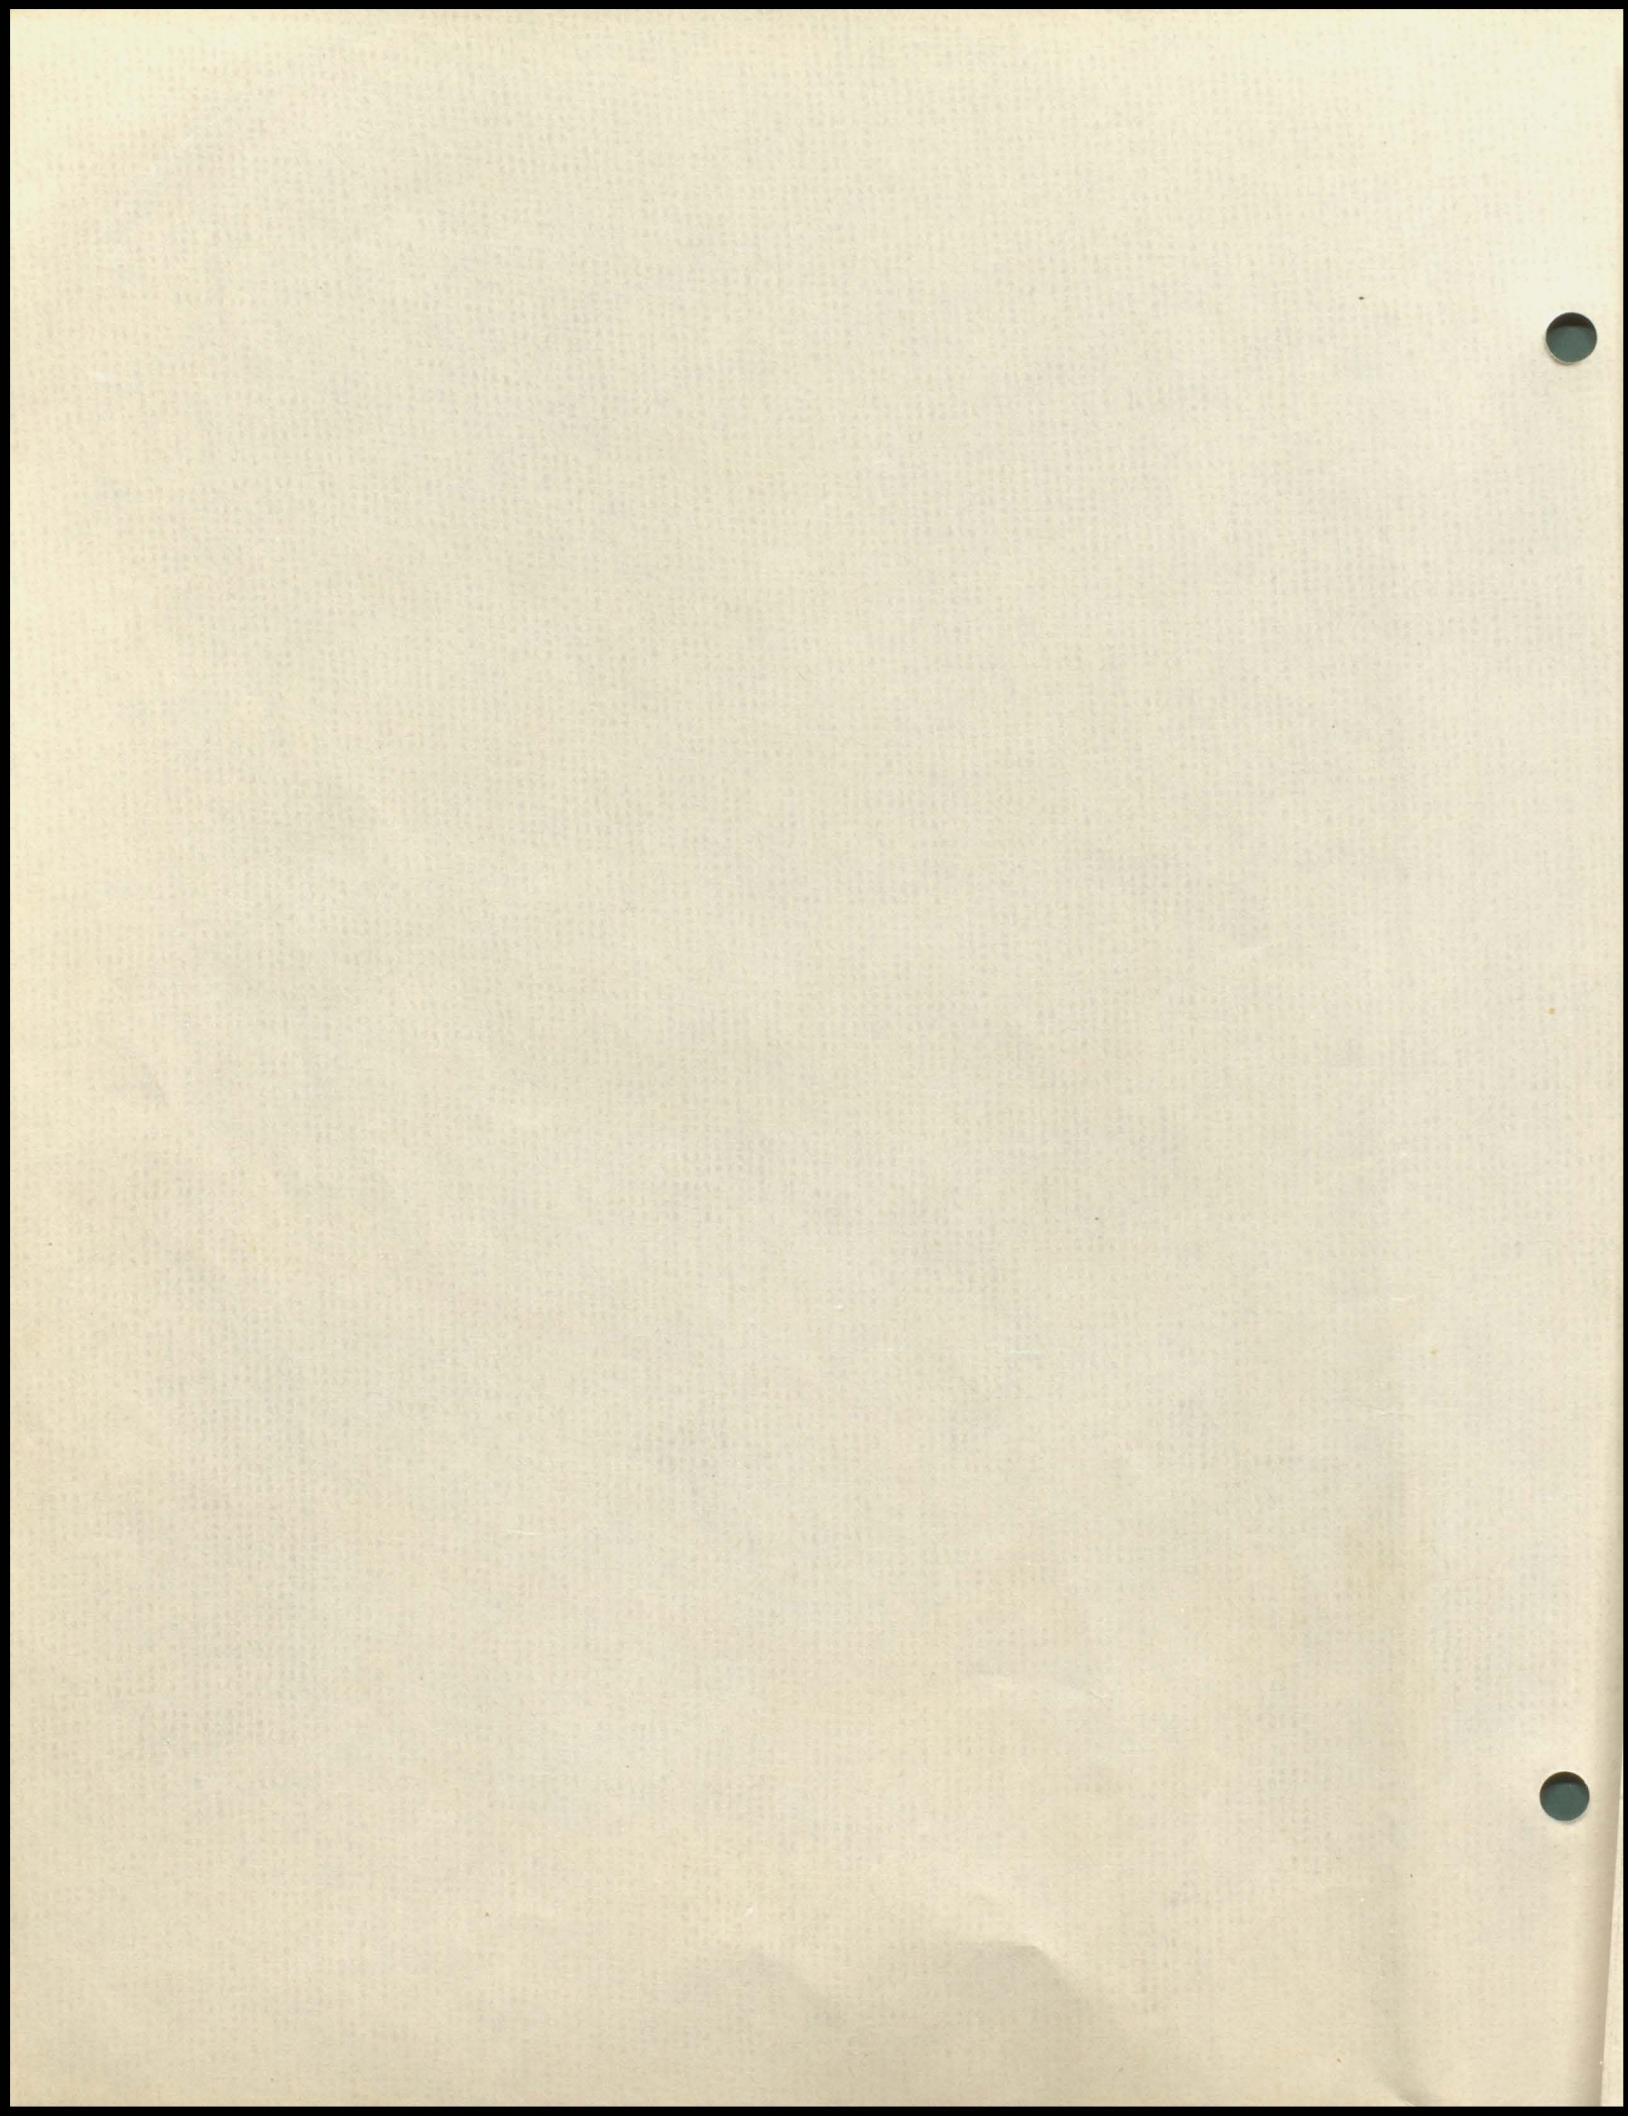

Our subjects grow harder, but our knowledge increases too.

The second World War is calling our young men away and requiring self-denial of us all. We count on ourselves and we know that we shall win.

1941-Basketball-1942

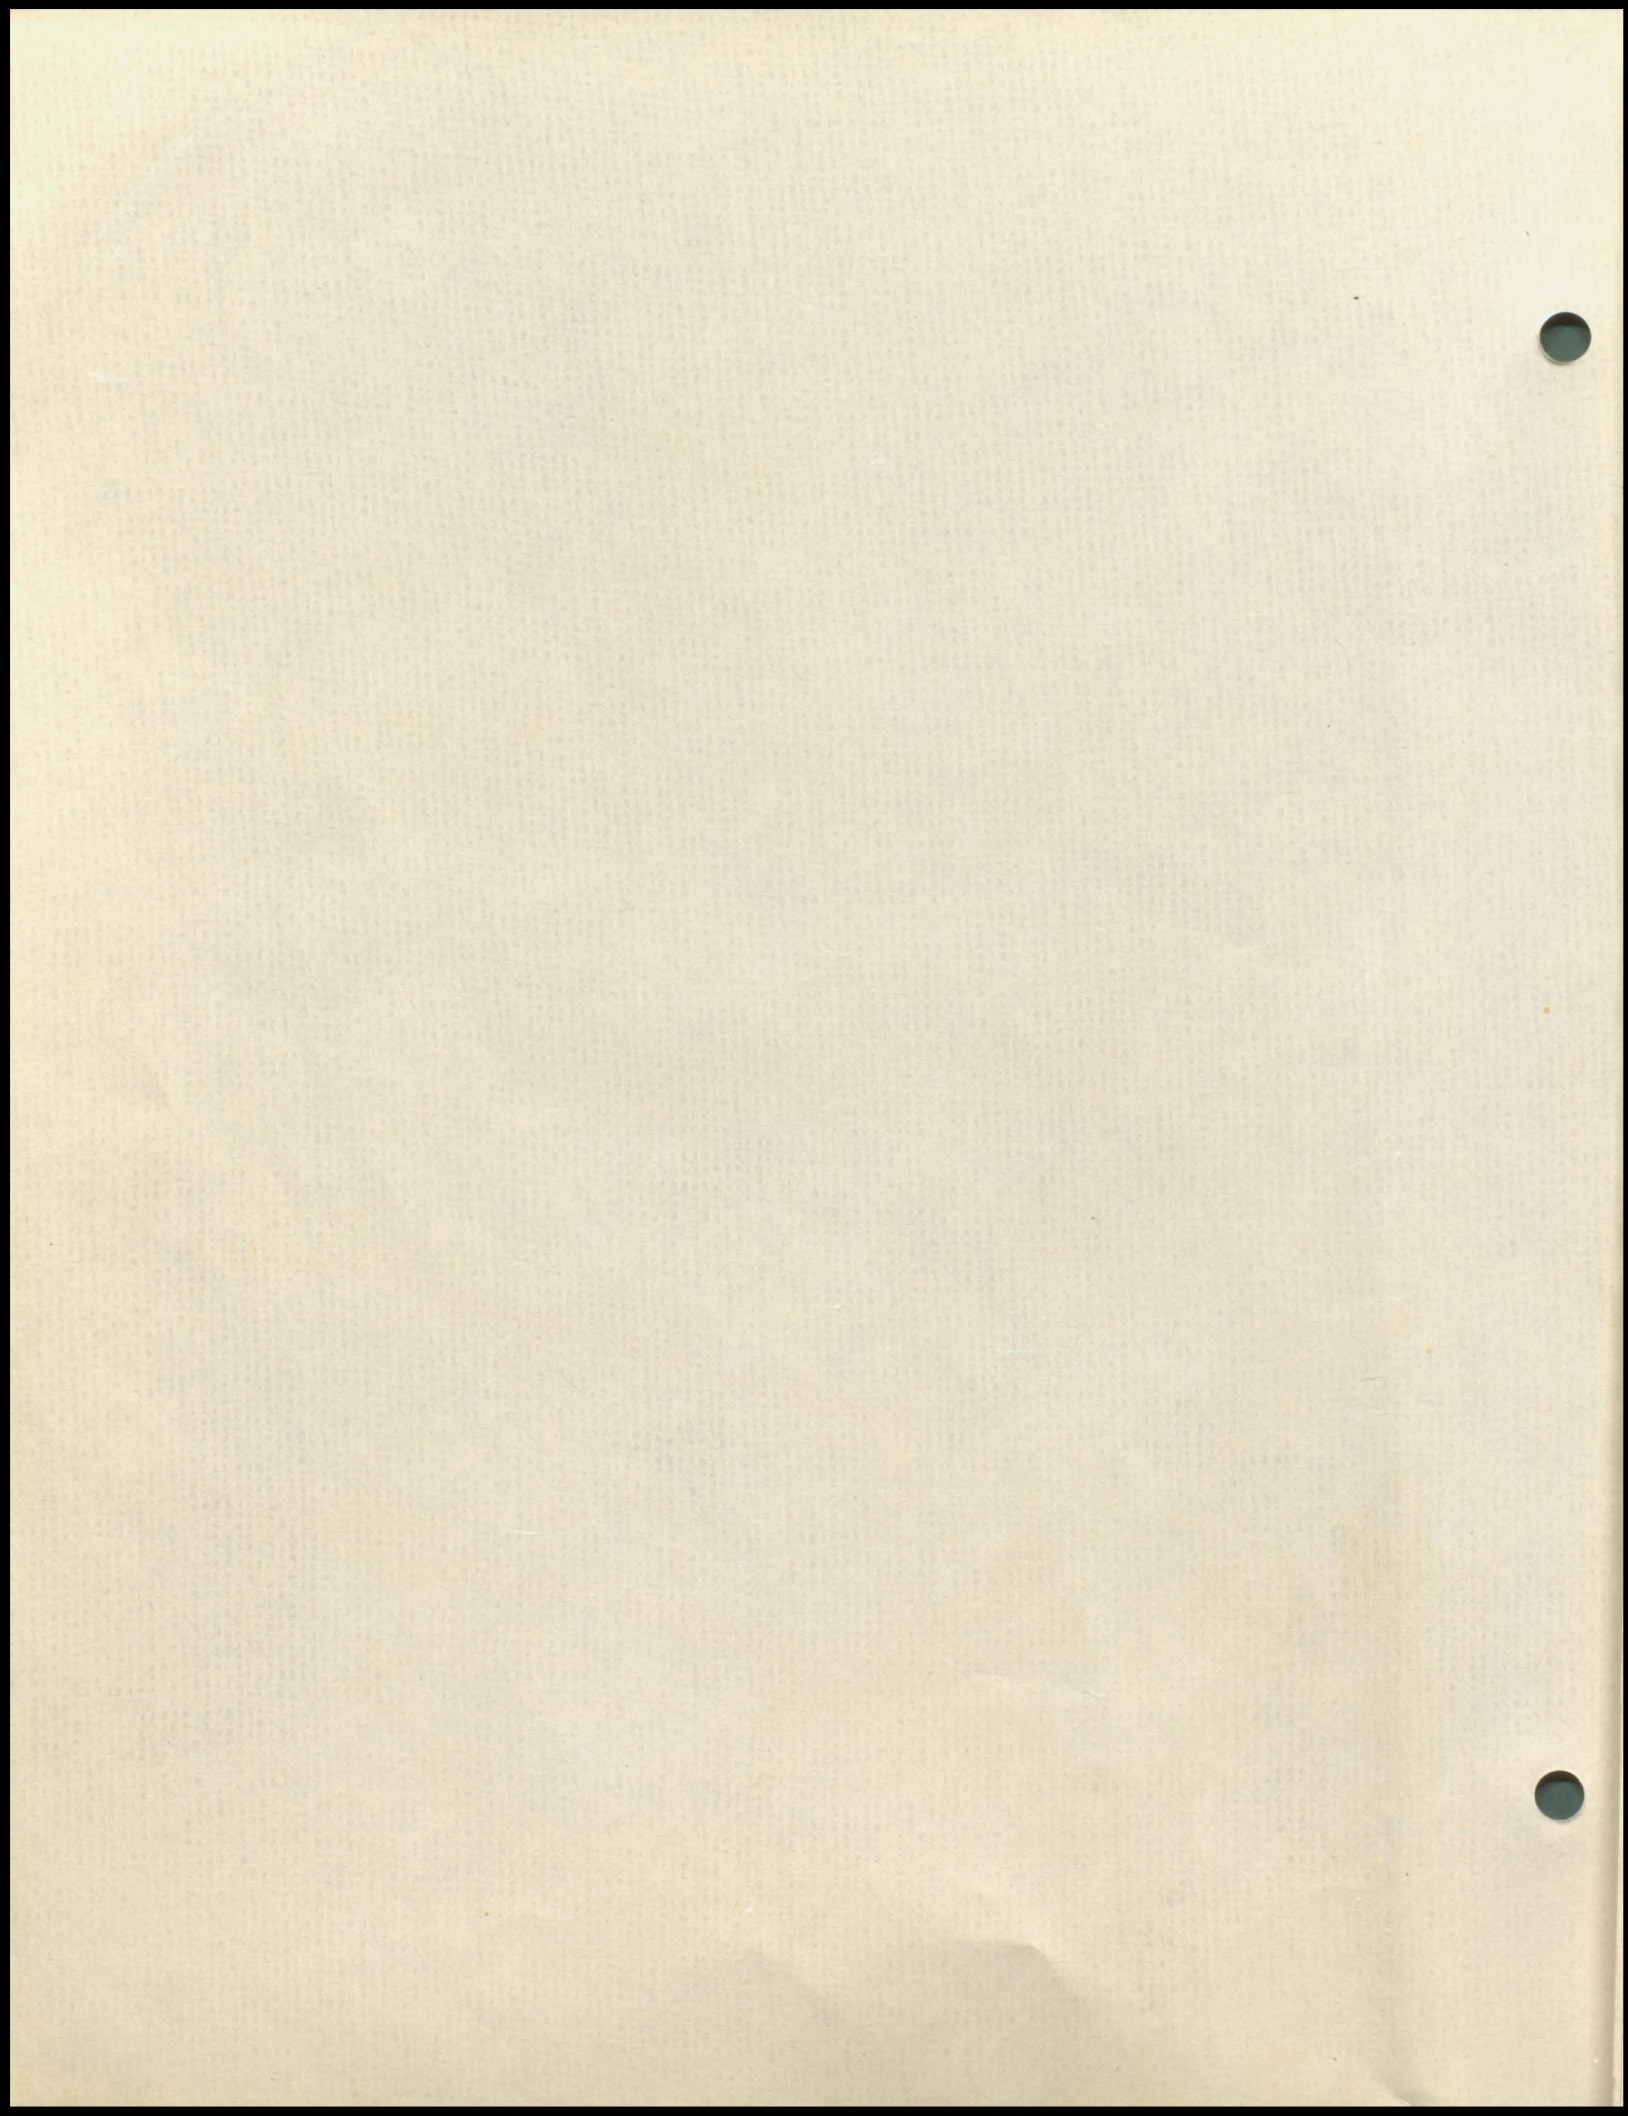

This year our basketball team was made up of experienced players. Our coach, Miss Grose-close and general manager, Mrs. Rutrough worked hard for the team all season.

The team played in the county tournament and was defeated, although a hard game was fought - the score being 20 to 24.

Both teams worked faithfully and good sportsmanship was carried out by both the first and second teams.

The season was ended by a joint banquet. For the first time letters were awarded to the first team girls, Alaa Cox, Dorothy Cregger, Dixie Neel, Lillian Foglesong, Mildred Cox and Pauline Umbarger.

Five of these girls are still doing wishful thinking and hoping that next year they can defeat the Bland Team.

1941-BASKETBALL-1942

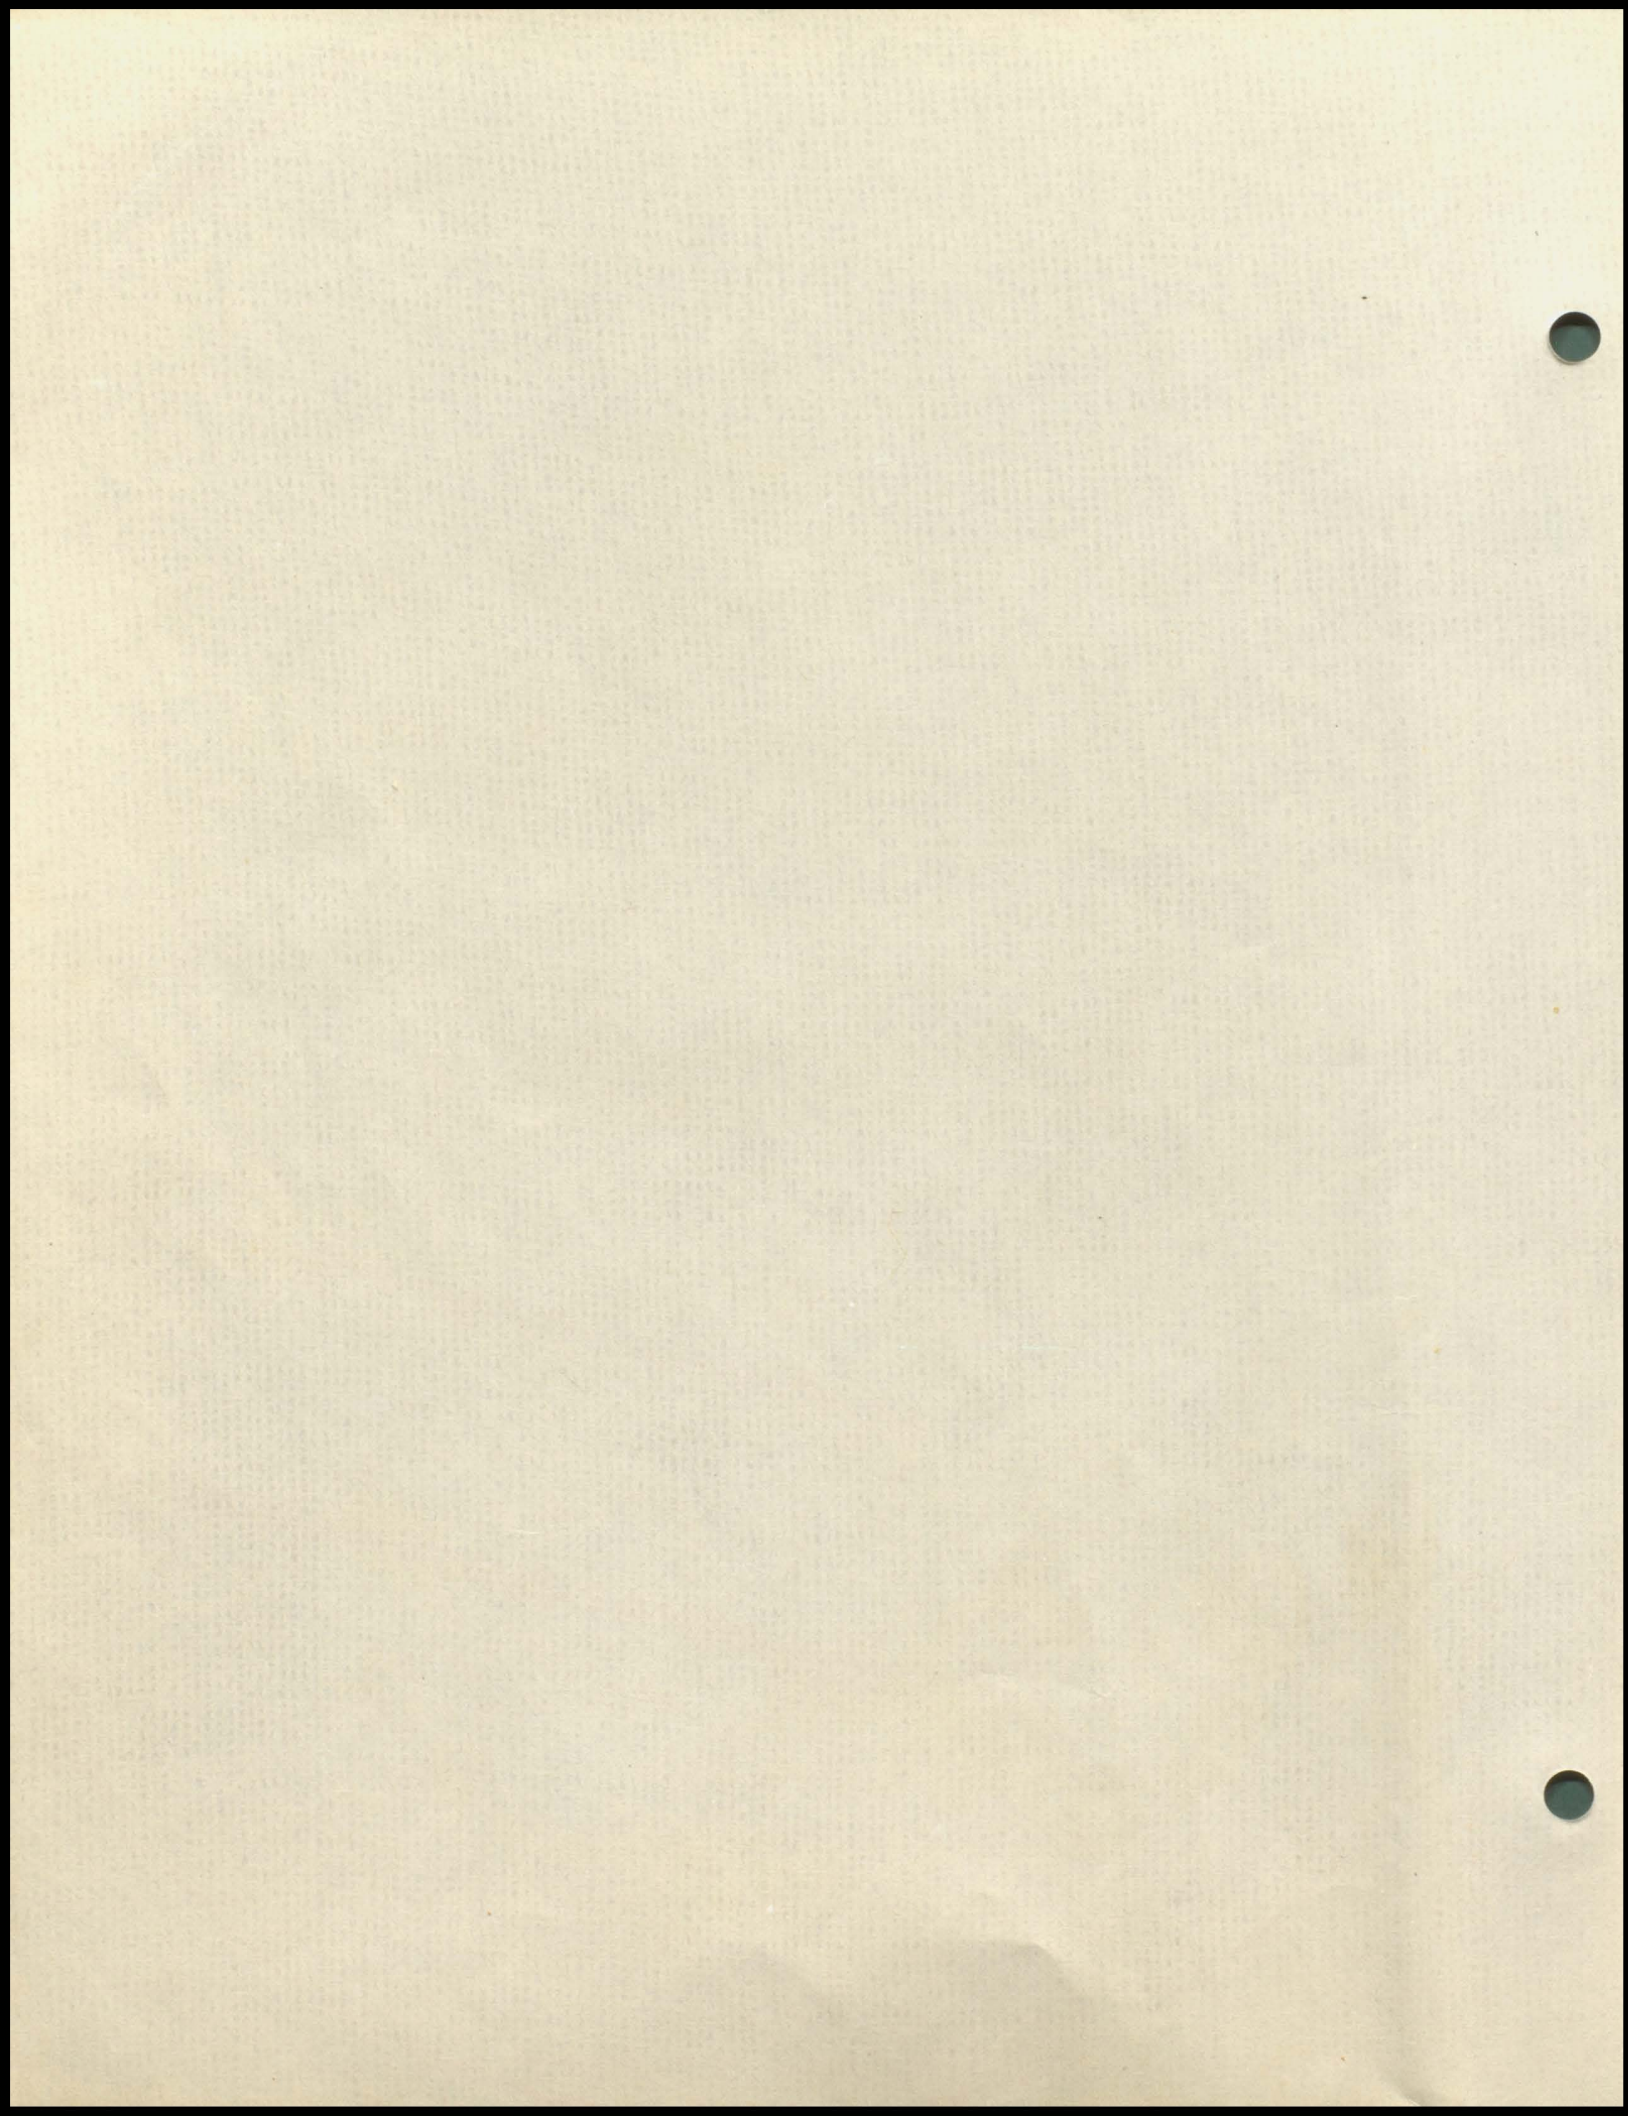

The members of the Ceres Team worked hard this season and set a higher mark in winning than has been accomplished in several previous years.

The team was made up of experienced players who did their best under the leadership of Mr. J. E. Rubrough who was elected coach at the beginning of the season along with Kenneth Hubble, Manager; Carrington Neel, Co-Captain; and Harry Wilson, Captain.

Our team entered the Bland County Tournament and was defeated by a very close score. Although the team that defeated Ceres and the one that won the County Championship had been previously defeated by the Ceres boys.

A banquet was held for the boys and girls basketball teams on December 18, 1941. Letters which were to be awarded to the members of the first teams were later given at a chapel program.

The team as a whole regrets the loss of their coach at the last of the season, when he was called for active duty in the army.

ACTIVITIES

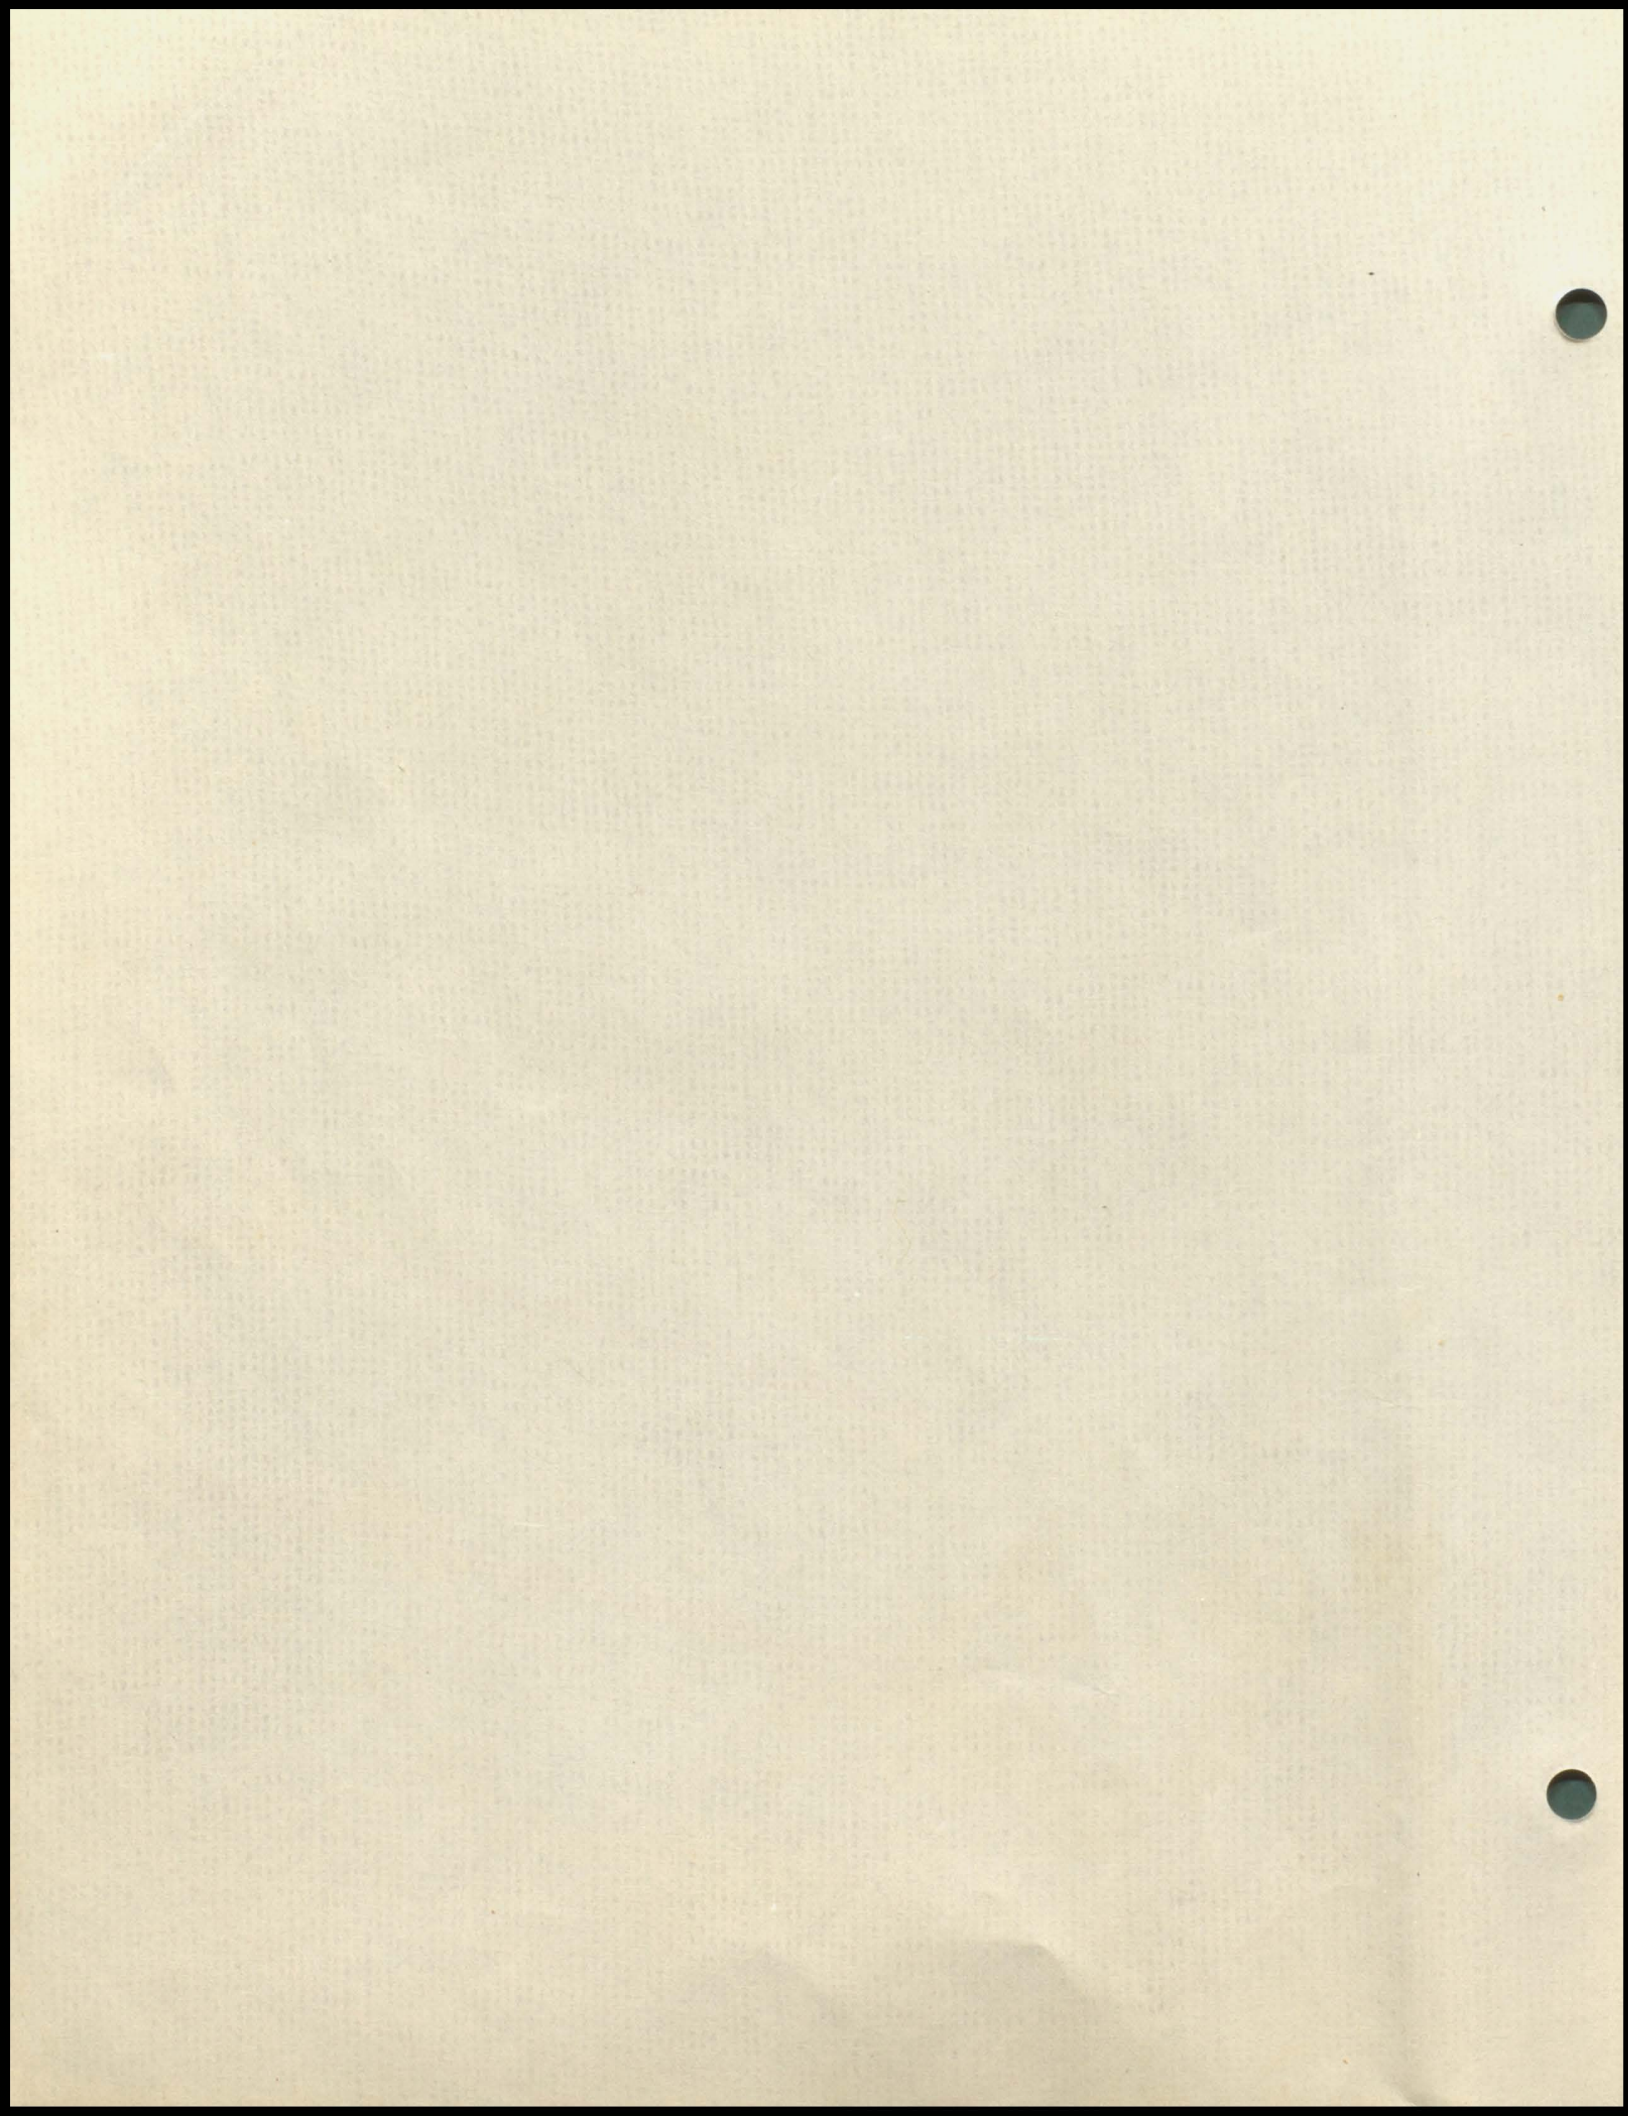

Advanced Home Economics

THE ADVANCED HOME ECONOMICS CLASS IS ONE OF THE MOST INTERESTING AND USEFUL OF THE SCHOOLS. THE STUDENTS ARE TRAINED IN THE ARTS AND SCIENCES OF THE HOME AND ARE PREPARED TO TAKE UP THE HOME WITH CONFIDENCE AND SKILL. THE CLASS IS TAUGHT BY MISS MARY J. BROWN, WHO HAS BEEN TEACHING HOME ECONOMICS FOR MANY YEARS. THE STUDENTS ARE TRAINED IN THE ARTS AND SCIENCES OF THE HOME AND ARE PREPARED TO TAKE UP THE HOME WITH CONFIDENCE AND SKILL. THE CLASS IS TAUGHT BY MISS MARY J. BROWN, WHO HAS BEEN TEACHING HOME ECONOMICS FOR MANY YEARS.

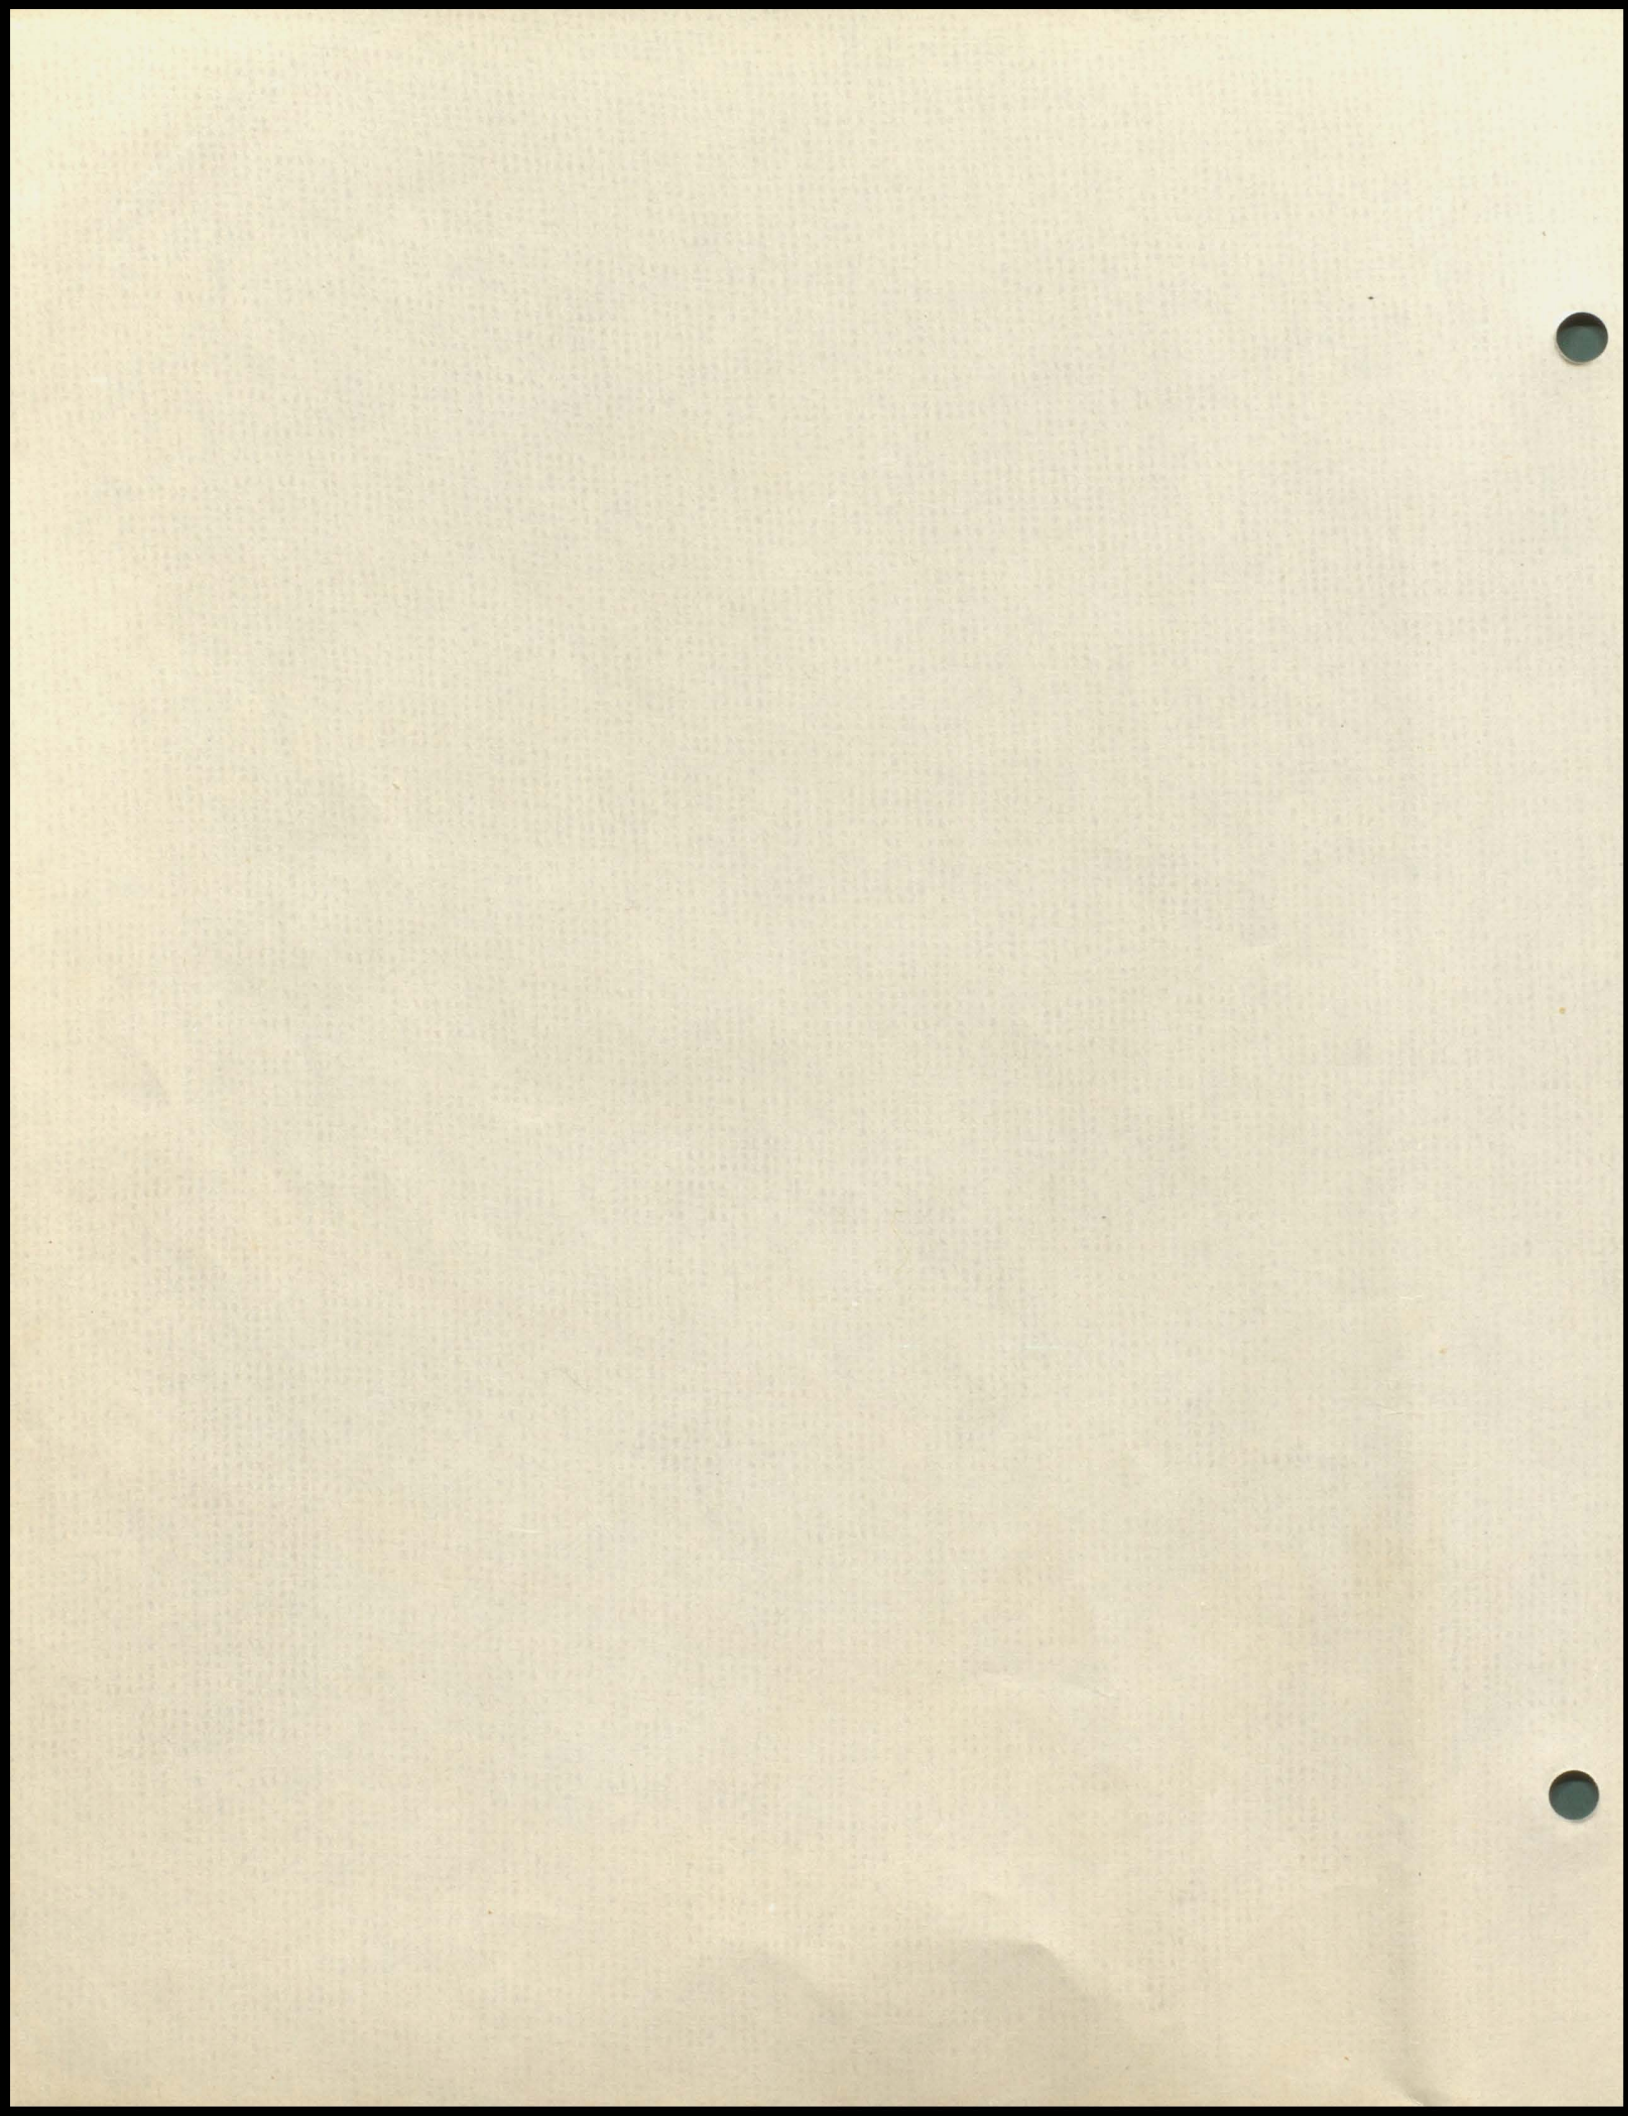

Beta Club

ANNUAL STAFF

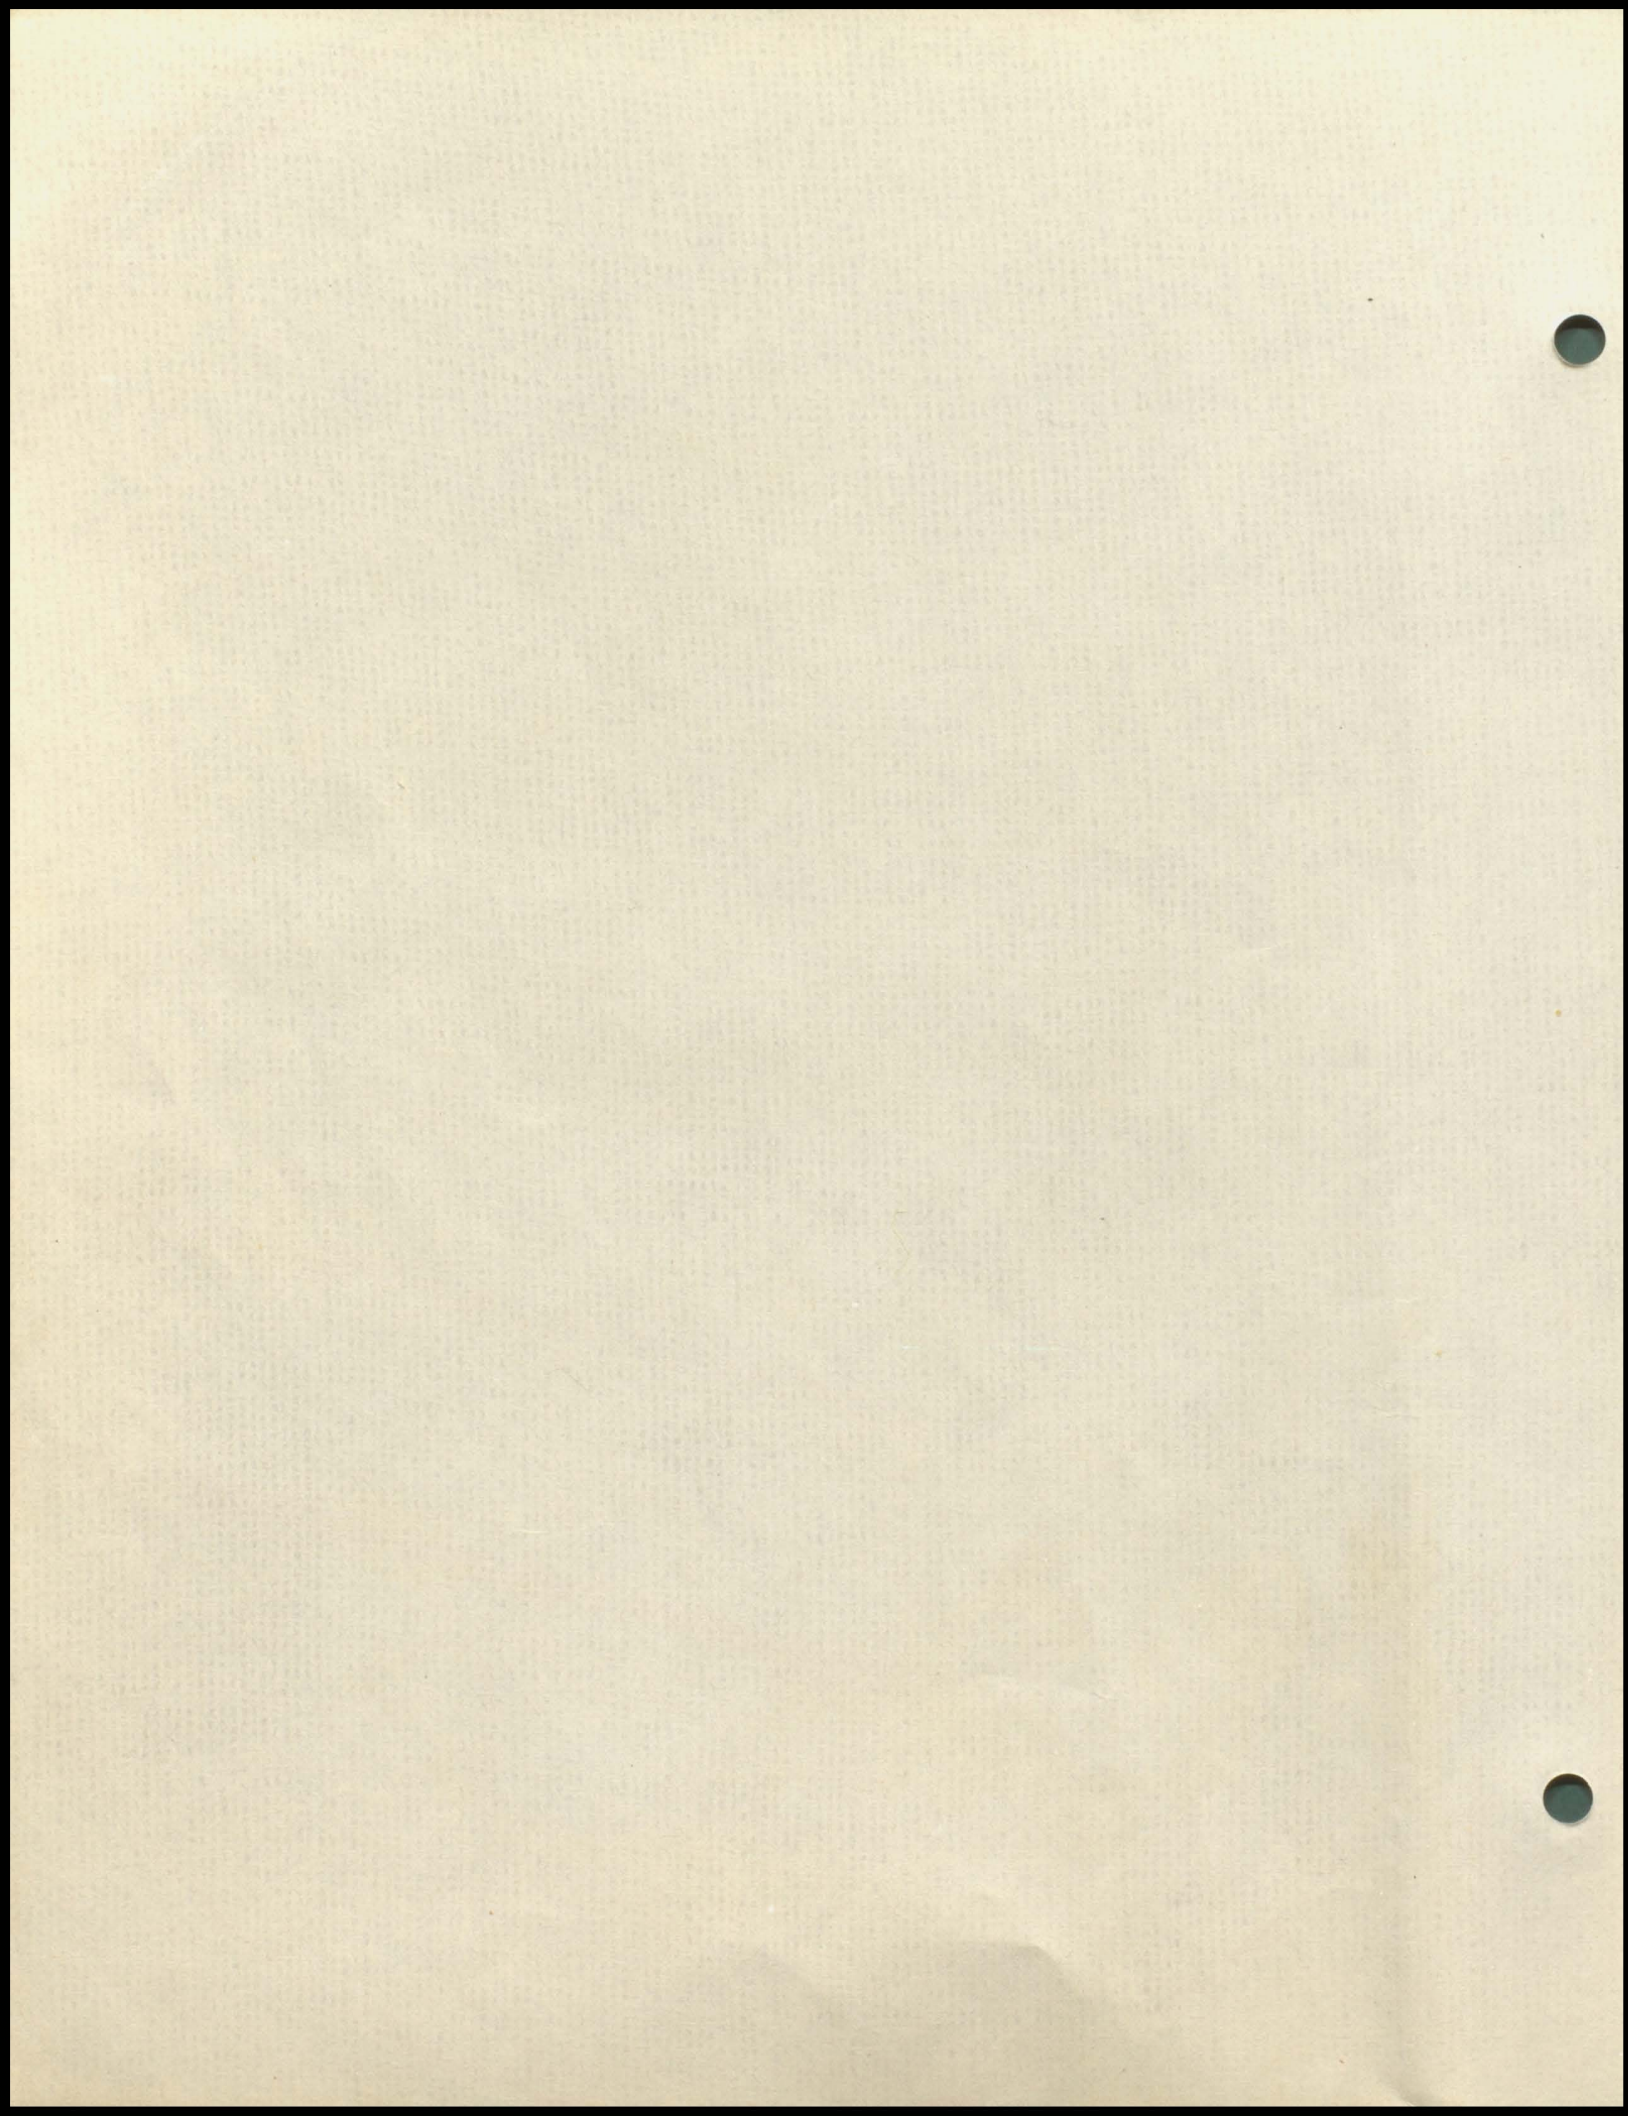

Beta Club

The Nationally Organized Beta Club stands for character, leadership and achievement.

The Ceres Chapter has had for its sponsor the last three years, Mr. J. E. Rutrough, who was called for active duty in the army in January 1942.

The club then elected Mr. J. M. Thomas sponsor.

4-H

Ceres  Club

"TO MAKE THE BEST BETTER"

4-H Club

We feel that the Ceres 4-H Club has had a very successful year. Projects from the members of this club have been exhibited and made creditable showings at our County Fair, Wythe and Tazewell and also the State Fair in Richmond.

Wanda Neel was awarded the Thomas E. Wilson medal for outstanding work in Bland County producing meat animals.

Eleven of our members attended Camp Roland a week end in June.

Four of the members attended the State Short Course at Blacksburg at which time Gladys Kidd became an All Star. We are proud of the fact that Bland County's first All Star was the president of the Ceres Club.

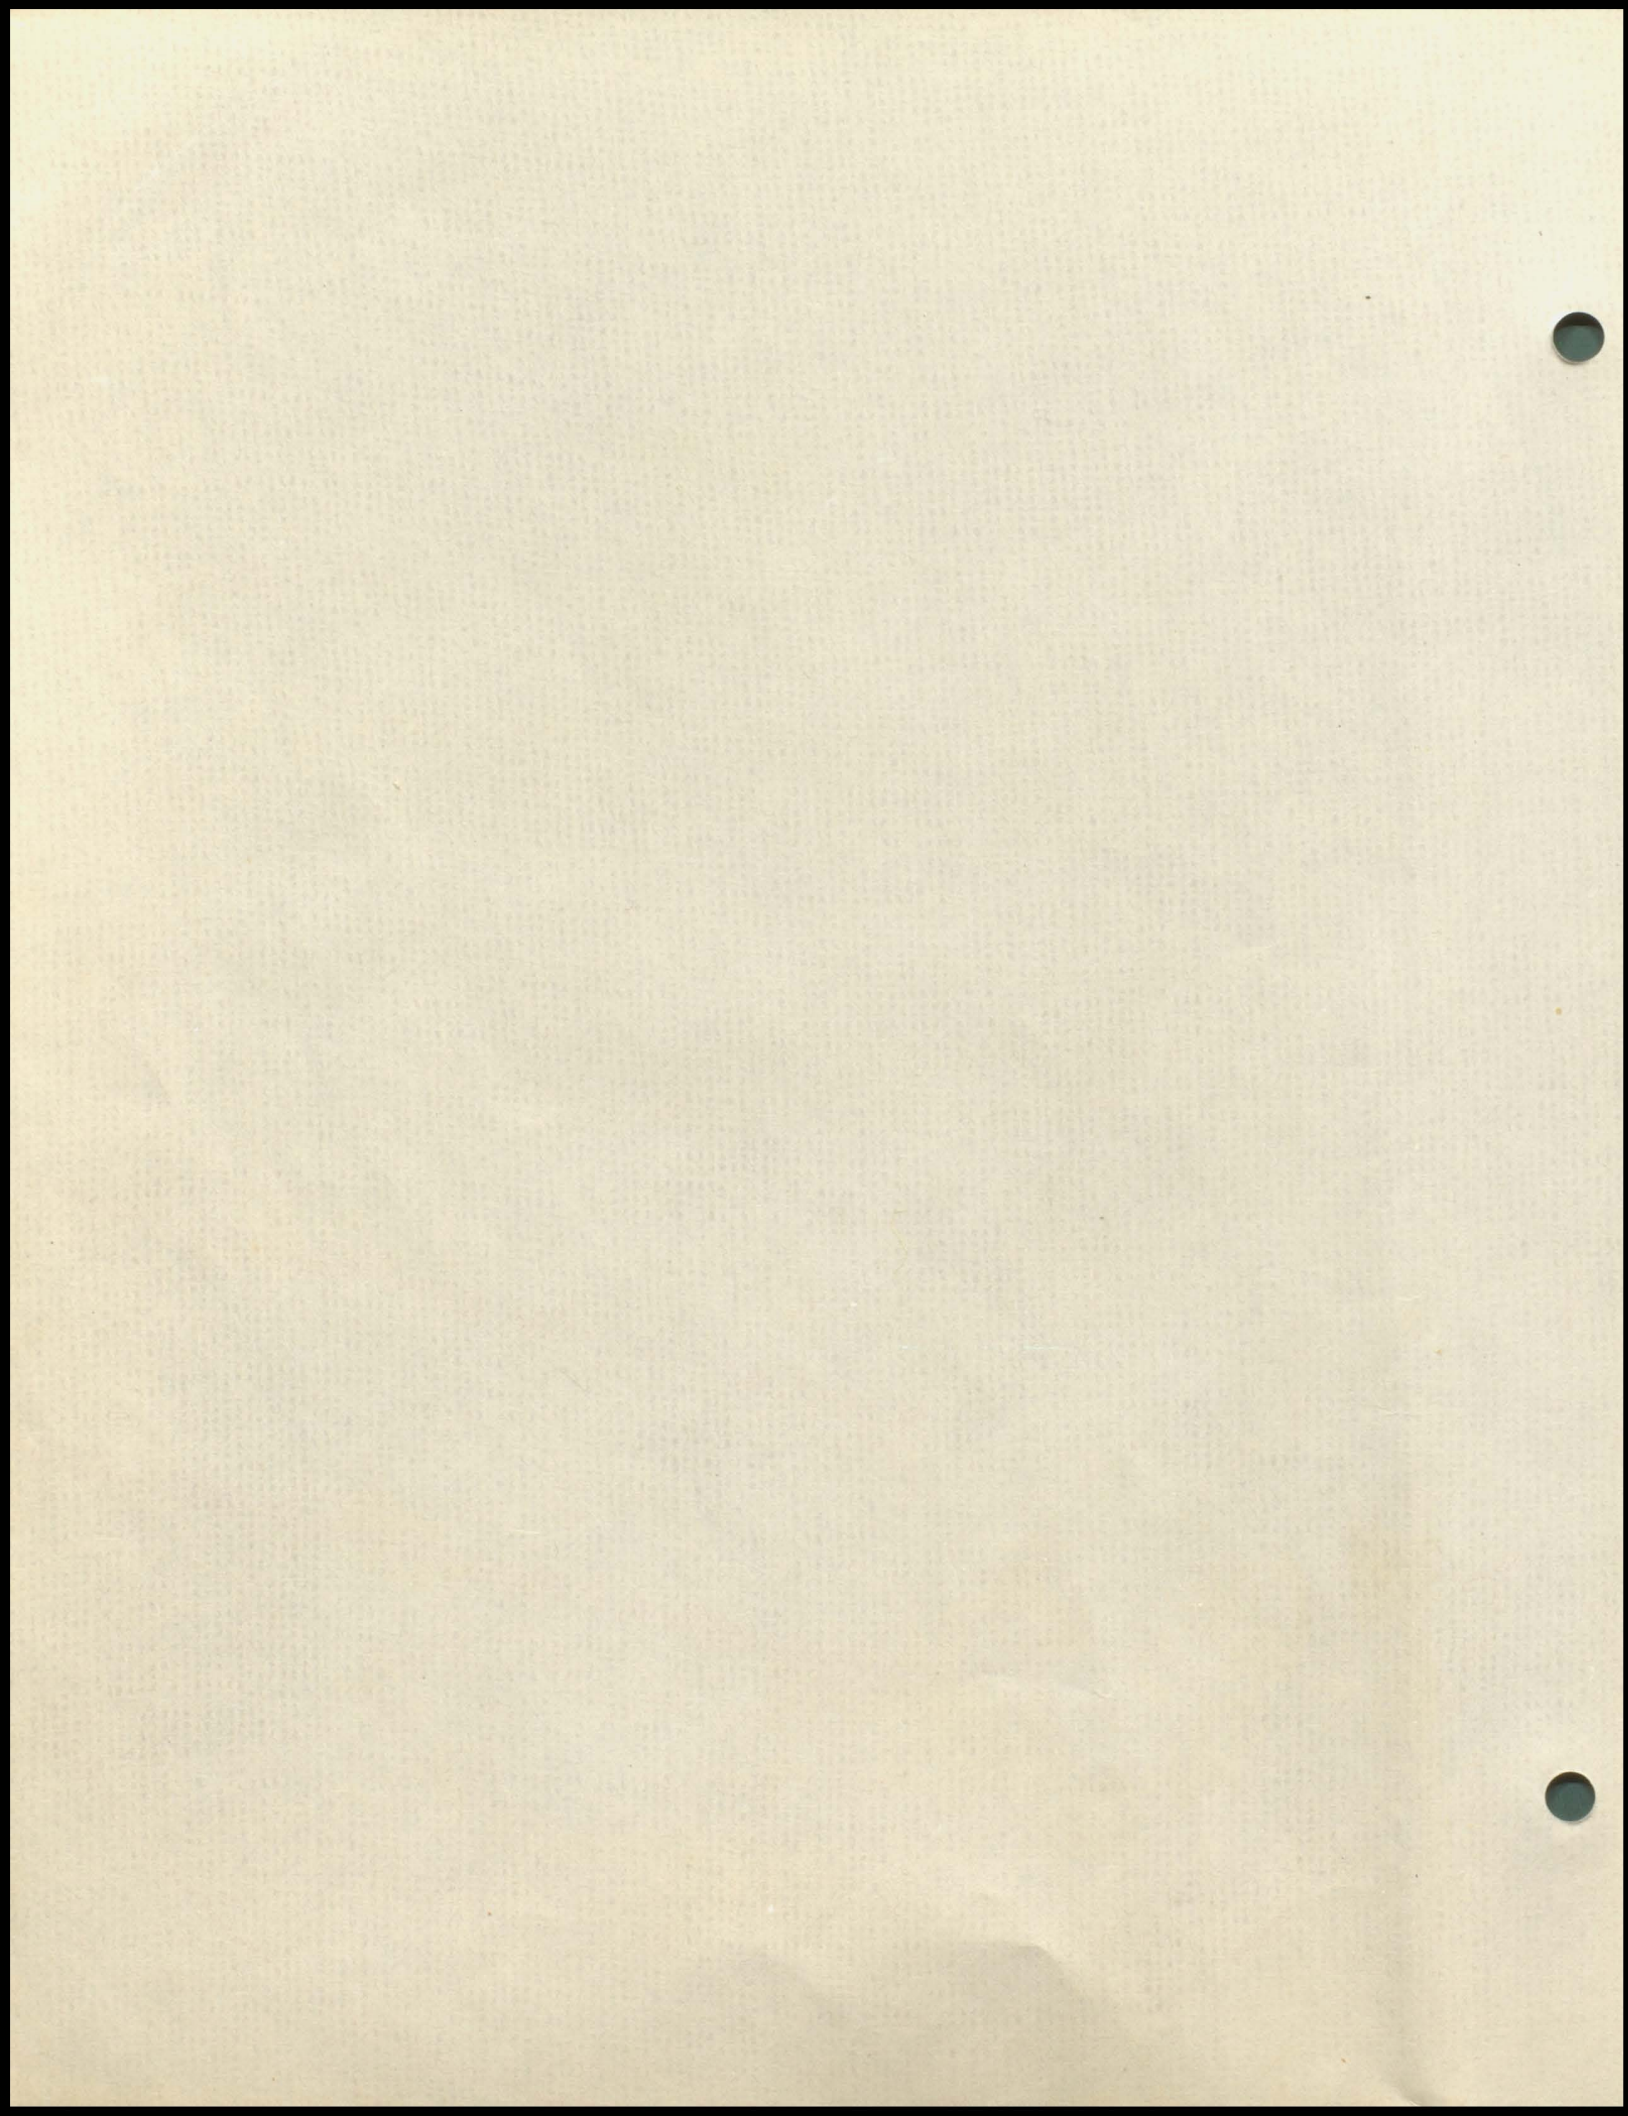

On Oct. 11, the members of this club went to Big Ben Look Out tower for a picnic. On Oct. 17, we gave a public program. Ten new members were initiated into our club at this meeting. We enjoyed a New Year's Eve party at the home of our Leader, Miss Nell Hudson.

Several interesting Speakers visited us during the year including Mr. Turner of V. P. I.

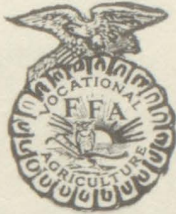

The members of the 4-H Club regret the loss of Mr. Sam Buchanan who in November was called into active service of the United States Army.

We feel that our work and time has been well spent in this club, and that we have learned many interesting and beneficial things.

The end of the '42 school year has subtracted several of our members but we hope that they will be replaced by an even greater turnout in '42-'43.

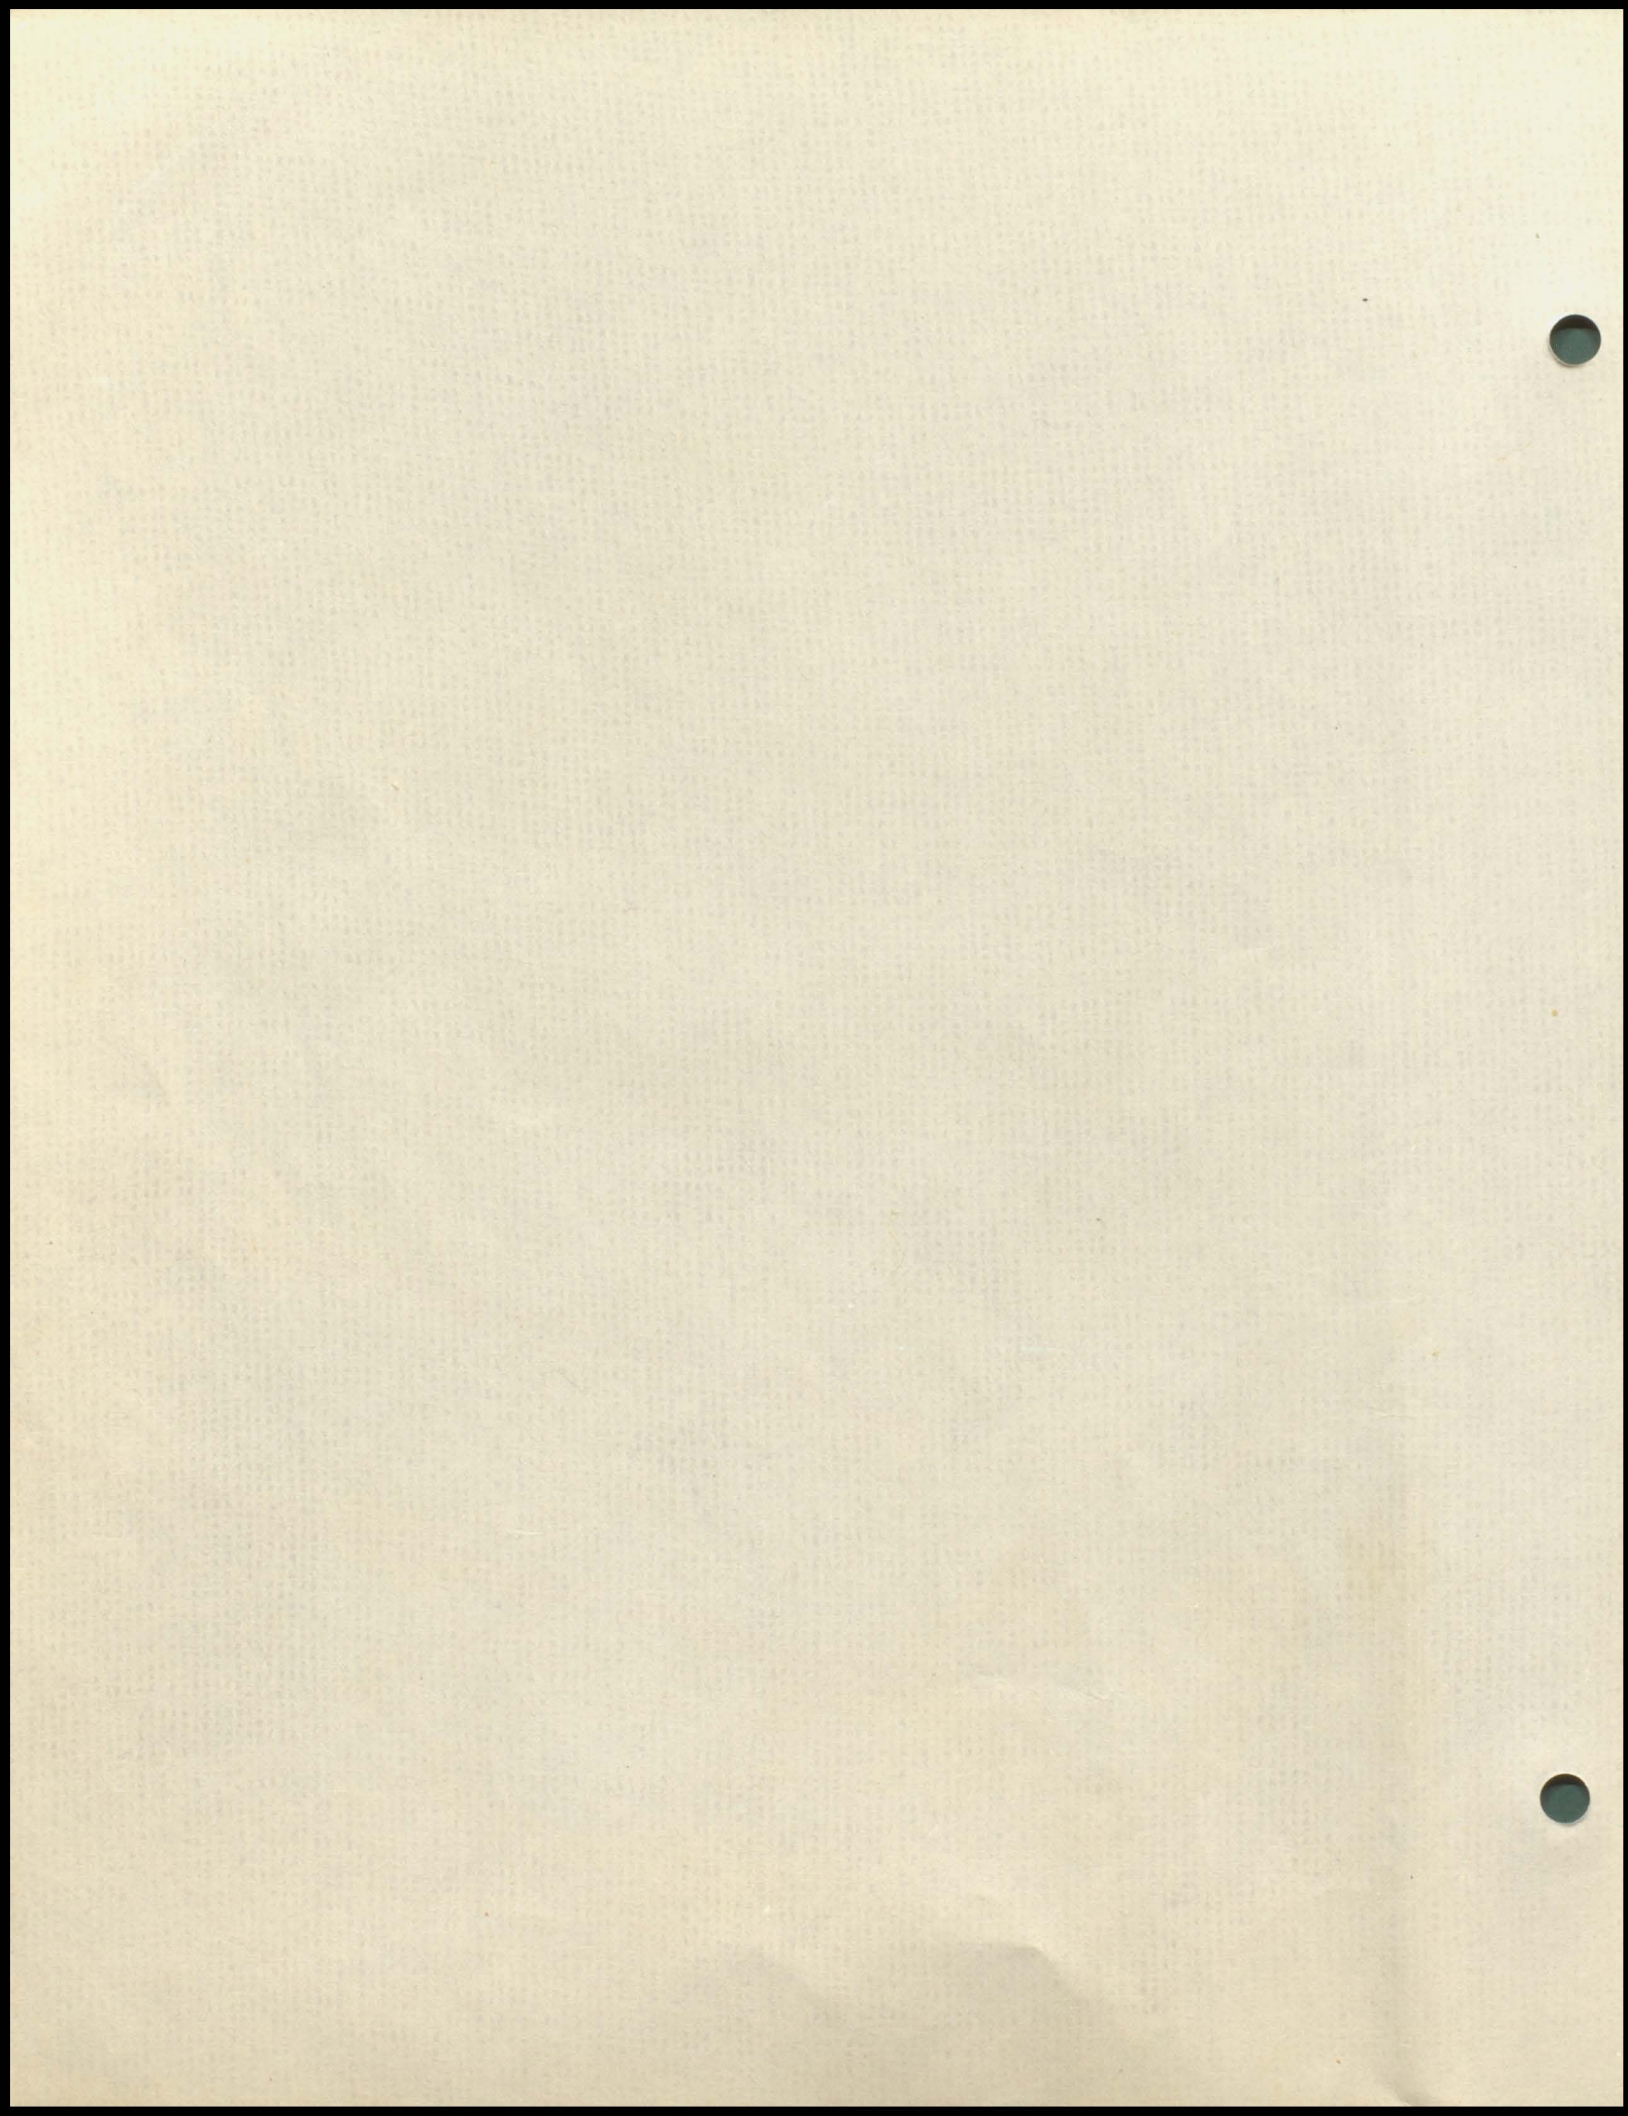

FFA
Ceres Chapter

Glee Club

FUTURE FARMERS OF AMERICA

The CERES CHAPTER F. F. A. made up of all boys enrolled in High School, has been going forward the three years that Agriculture has been taught here.

Projects which are carried out at home as well as in the work shop have increased each year. New equipment has been added, such as, books for the library, tools and machinery for the shop. Concrete walks have been constructed by the boys in front of the school building. A flag pole was set up which was bought by the school.

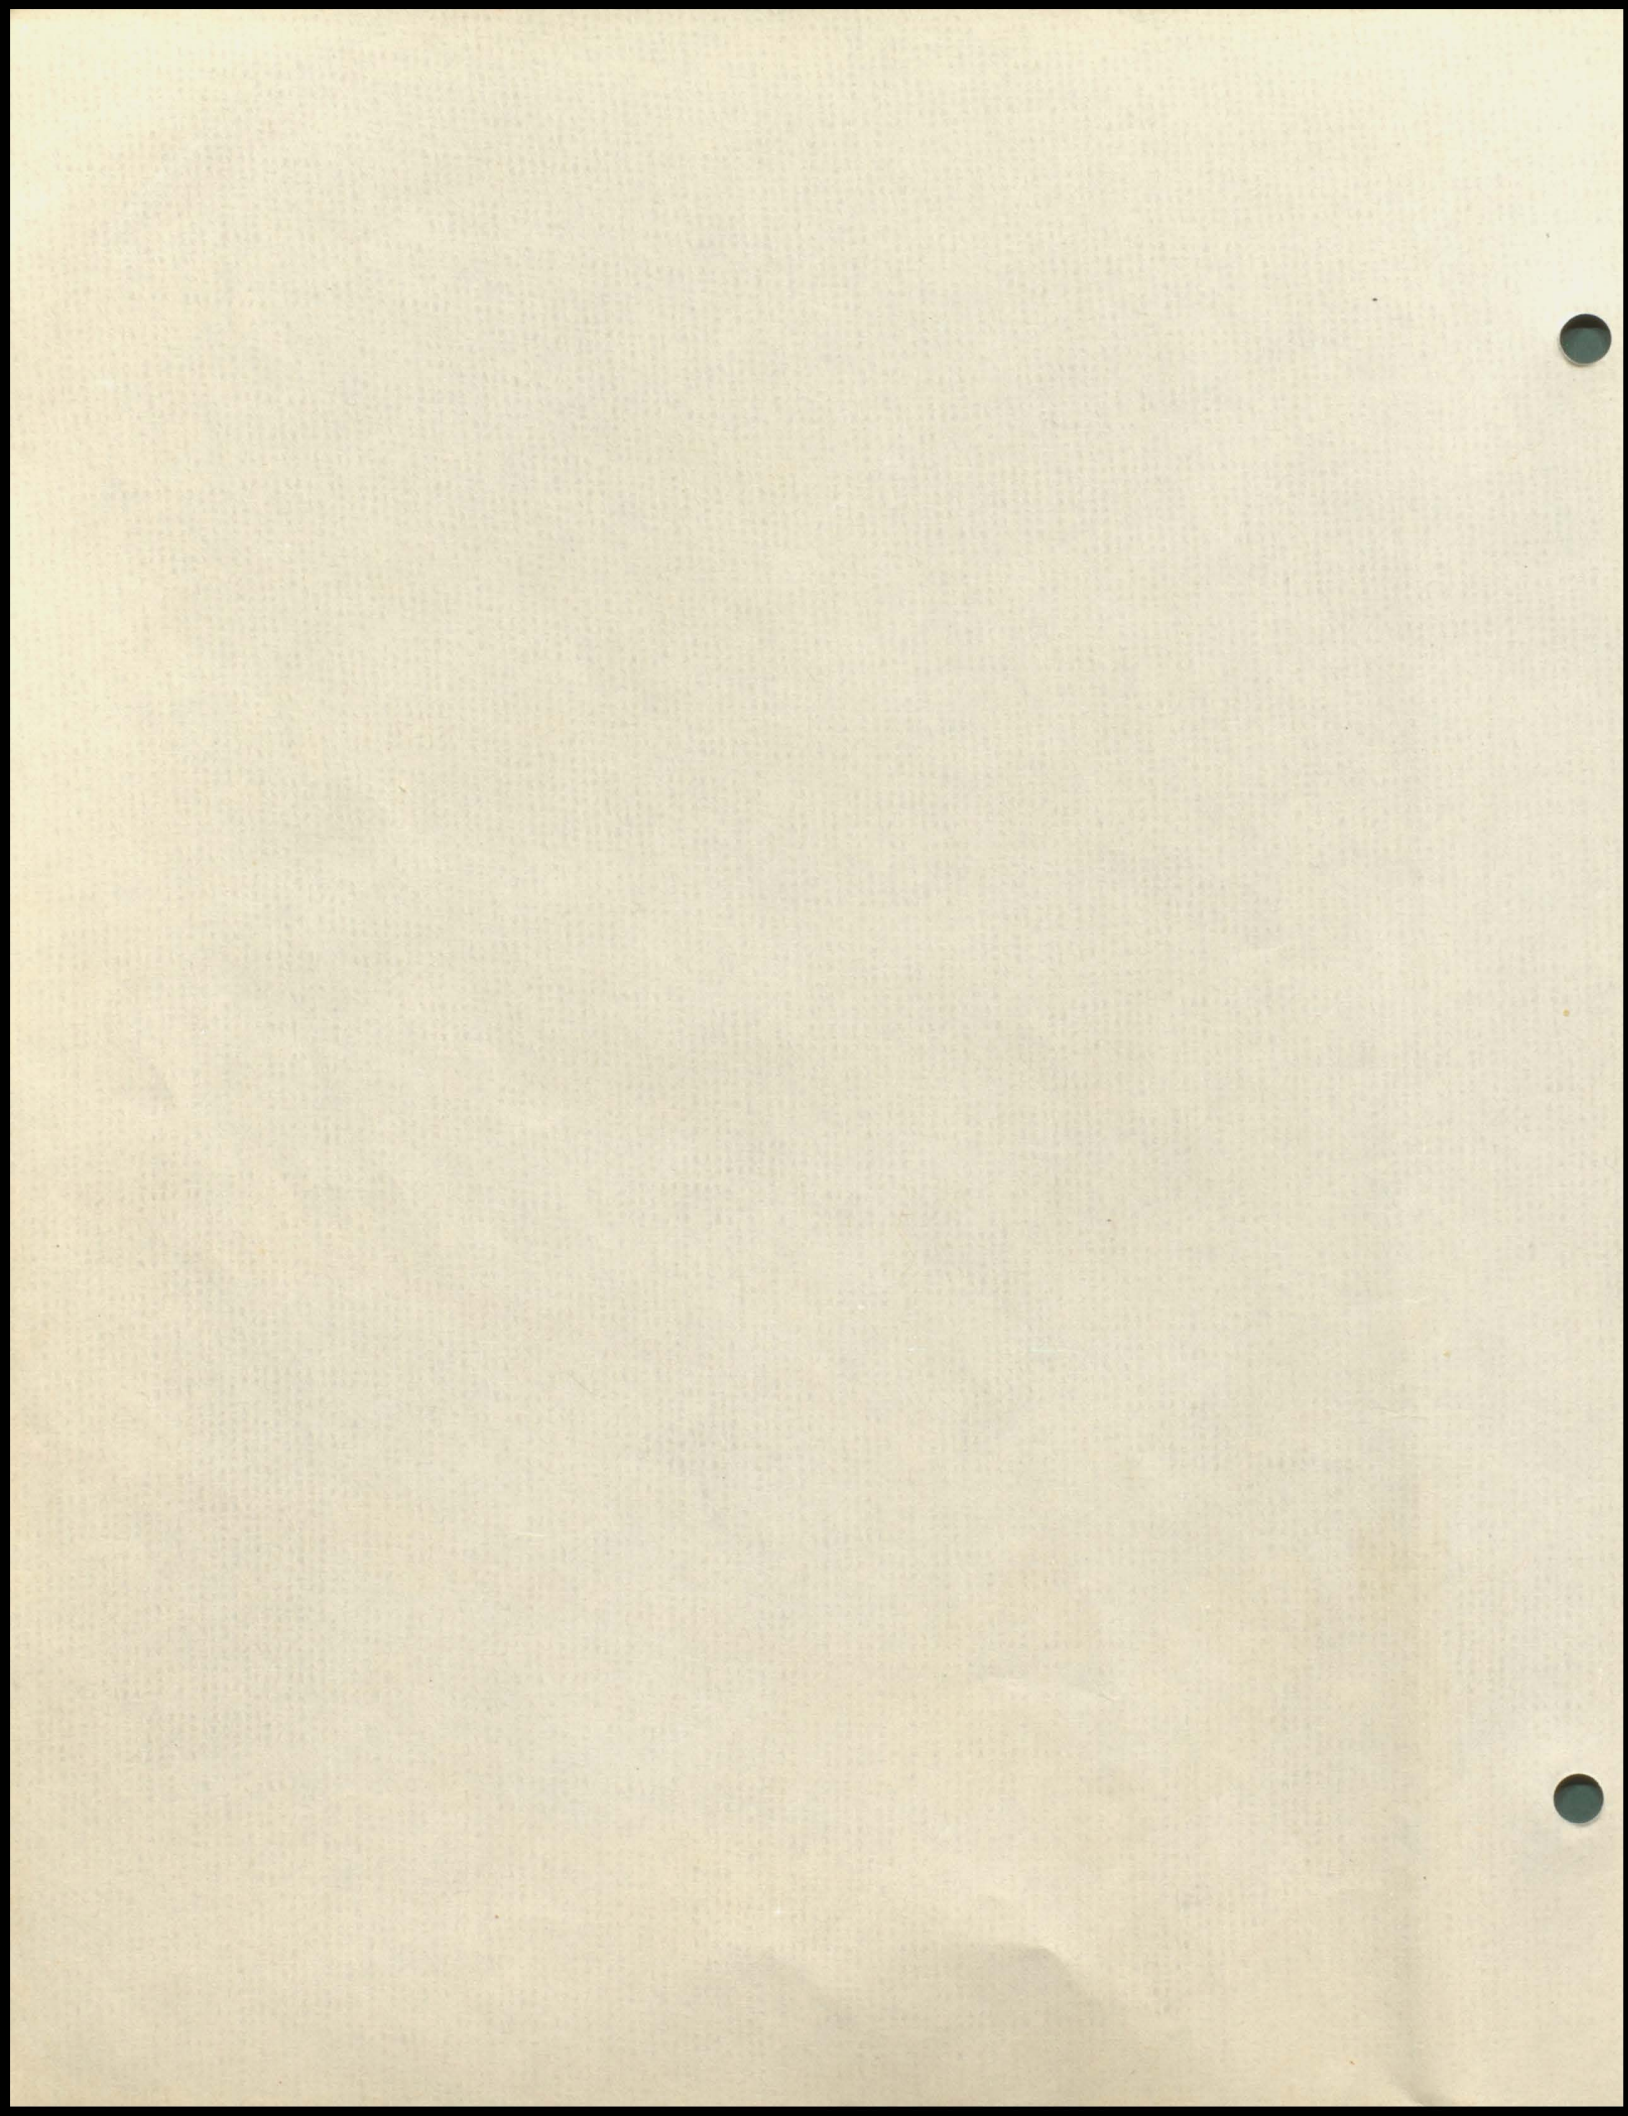

Our instructor Mr. Rutrough who established the Chapter here at Ceres, and worked for the development of this course was called to the army, January 21, 1942. His services in school and community are greatly missed. Mr. B. M. Wright from Bland, replaced him. The following make up the roll:

Ralph Austin	Filmore Cassel
Herbert Cooper	Kenneth Hubble
Carrington Neel	Warren Thompson
Wayne Neel	Warren Hubble
Alvin Crabtree	Wayne Bruce
Claude Davis	Joe Grosclose
Billy Hubble	Billy Peery

Yerke Hubble

GLEE CLUB ACTIVITIES

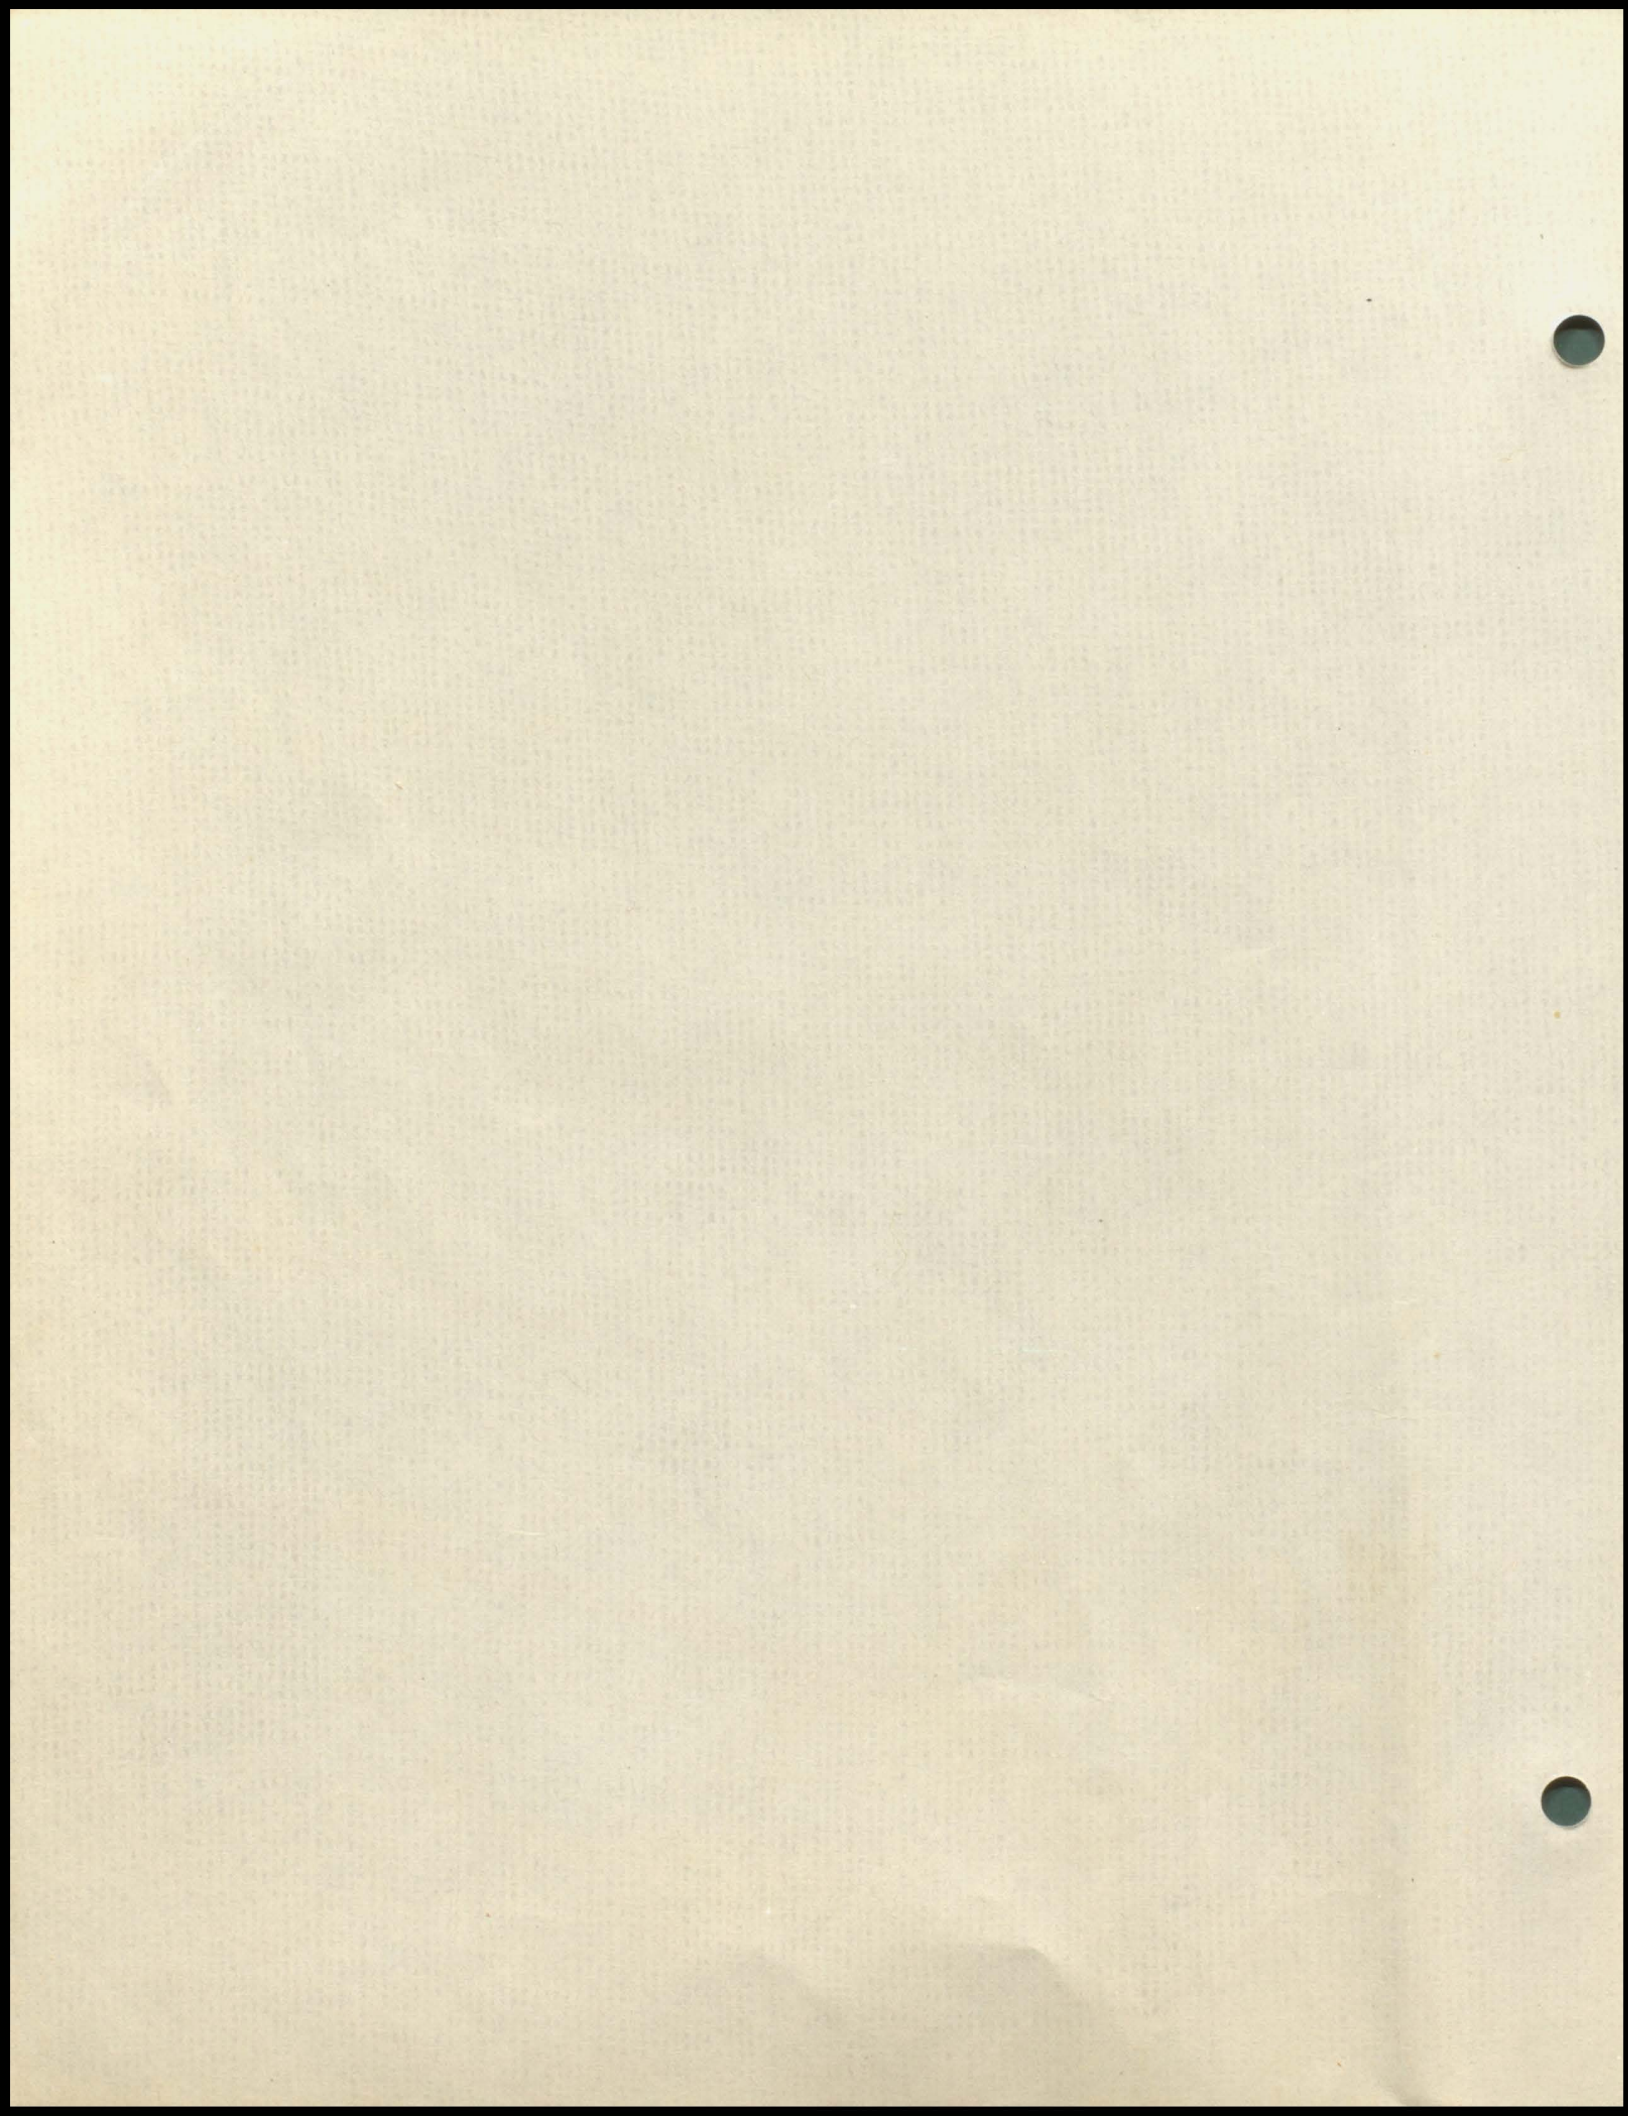

Our Girls Glee Club has become one of our most active organizations. It has grown since its organization in November and now has a membership of twenty, tuneful young members, under the direction of Miss Nell Hudson. The Club has contributed their voices in harmony to various types of school programs.

At Christmas the Glee Club sang a group of Christmas Carols including Brahms Lullaby. In February they were invited to sing at the P.T.A. meeting and in April at the Bland County Teachers meeting.

As a fitting climax to a happy and successful year, the group attended the Music Festival at Radford State College at which they sang, "Marita" by Hadn M. Morgan and "Crusaders Hymn" by Wick.

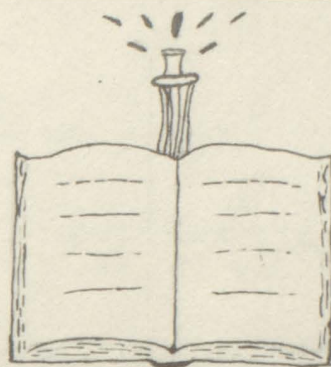

The group has charge of all music for the commencement activities.

We feel that much of our success is due to our principal, Mr. J. M. Thomas who made it possible for the Clubs activities.

LIBRARY

CLUB

Library Club

"My said Herman," How did you know exactly how to find that book? It would have taken me all day.

"That's easy," explained Kenneth, it's because I'm in the Library Club. You see we spend our free periods learning such things as helping the librarian with her work.

"Is Miss Hudson your sponsor?"

"Yes, and Mr. Thomas, too. They teach us how to take care of circulation, shelve books and other things - even to make posters."

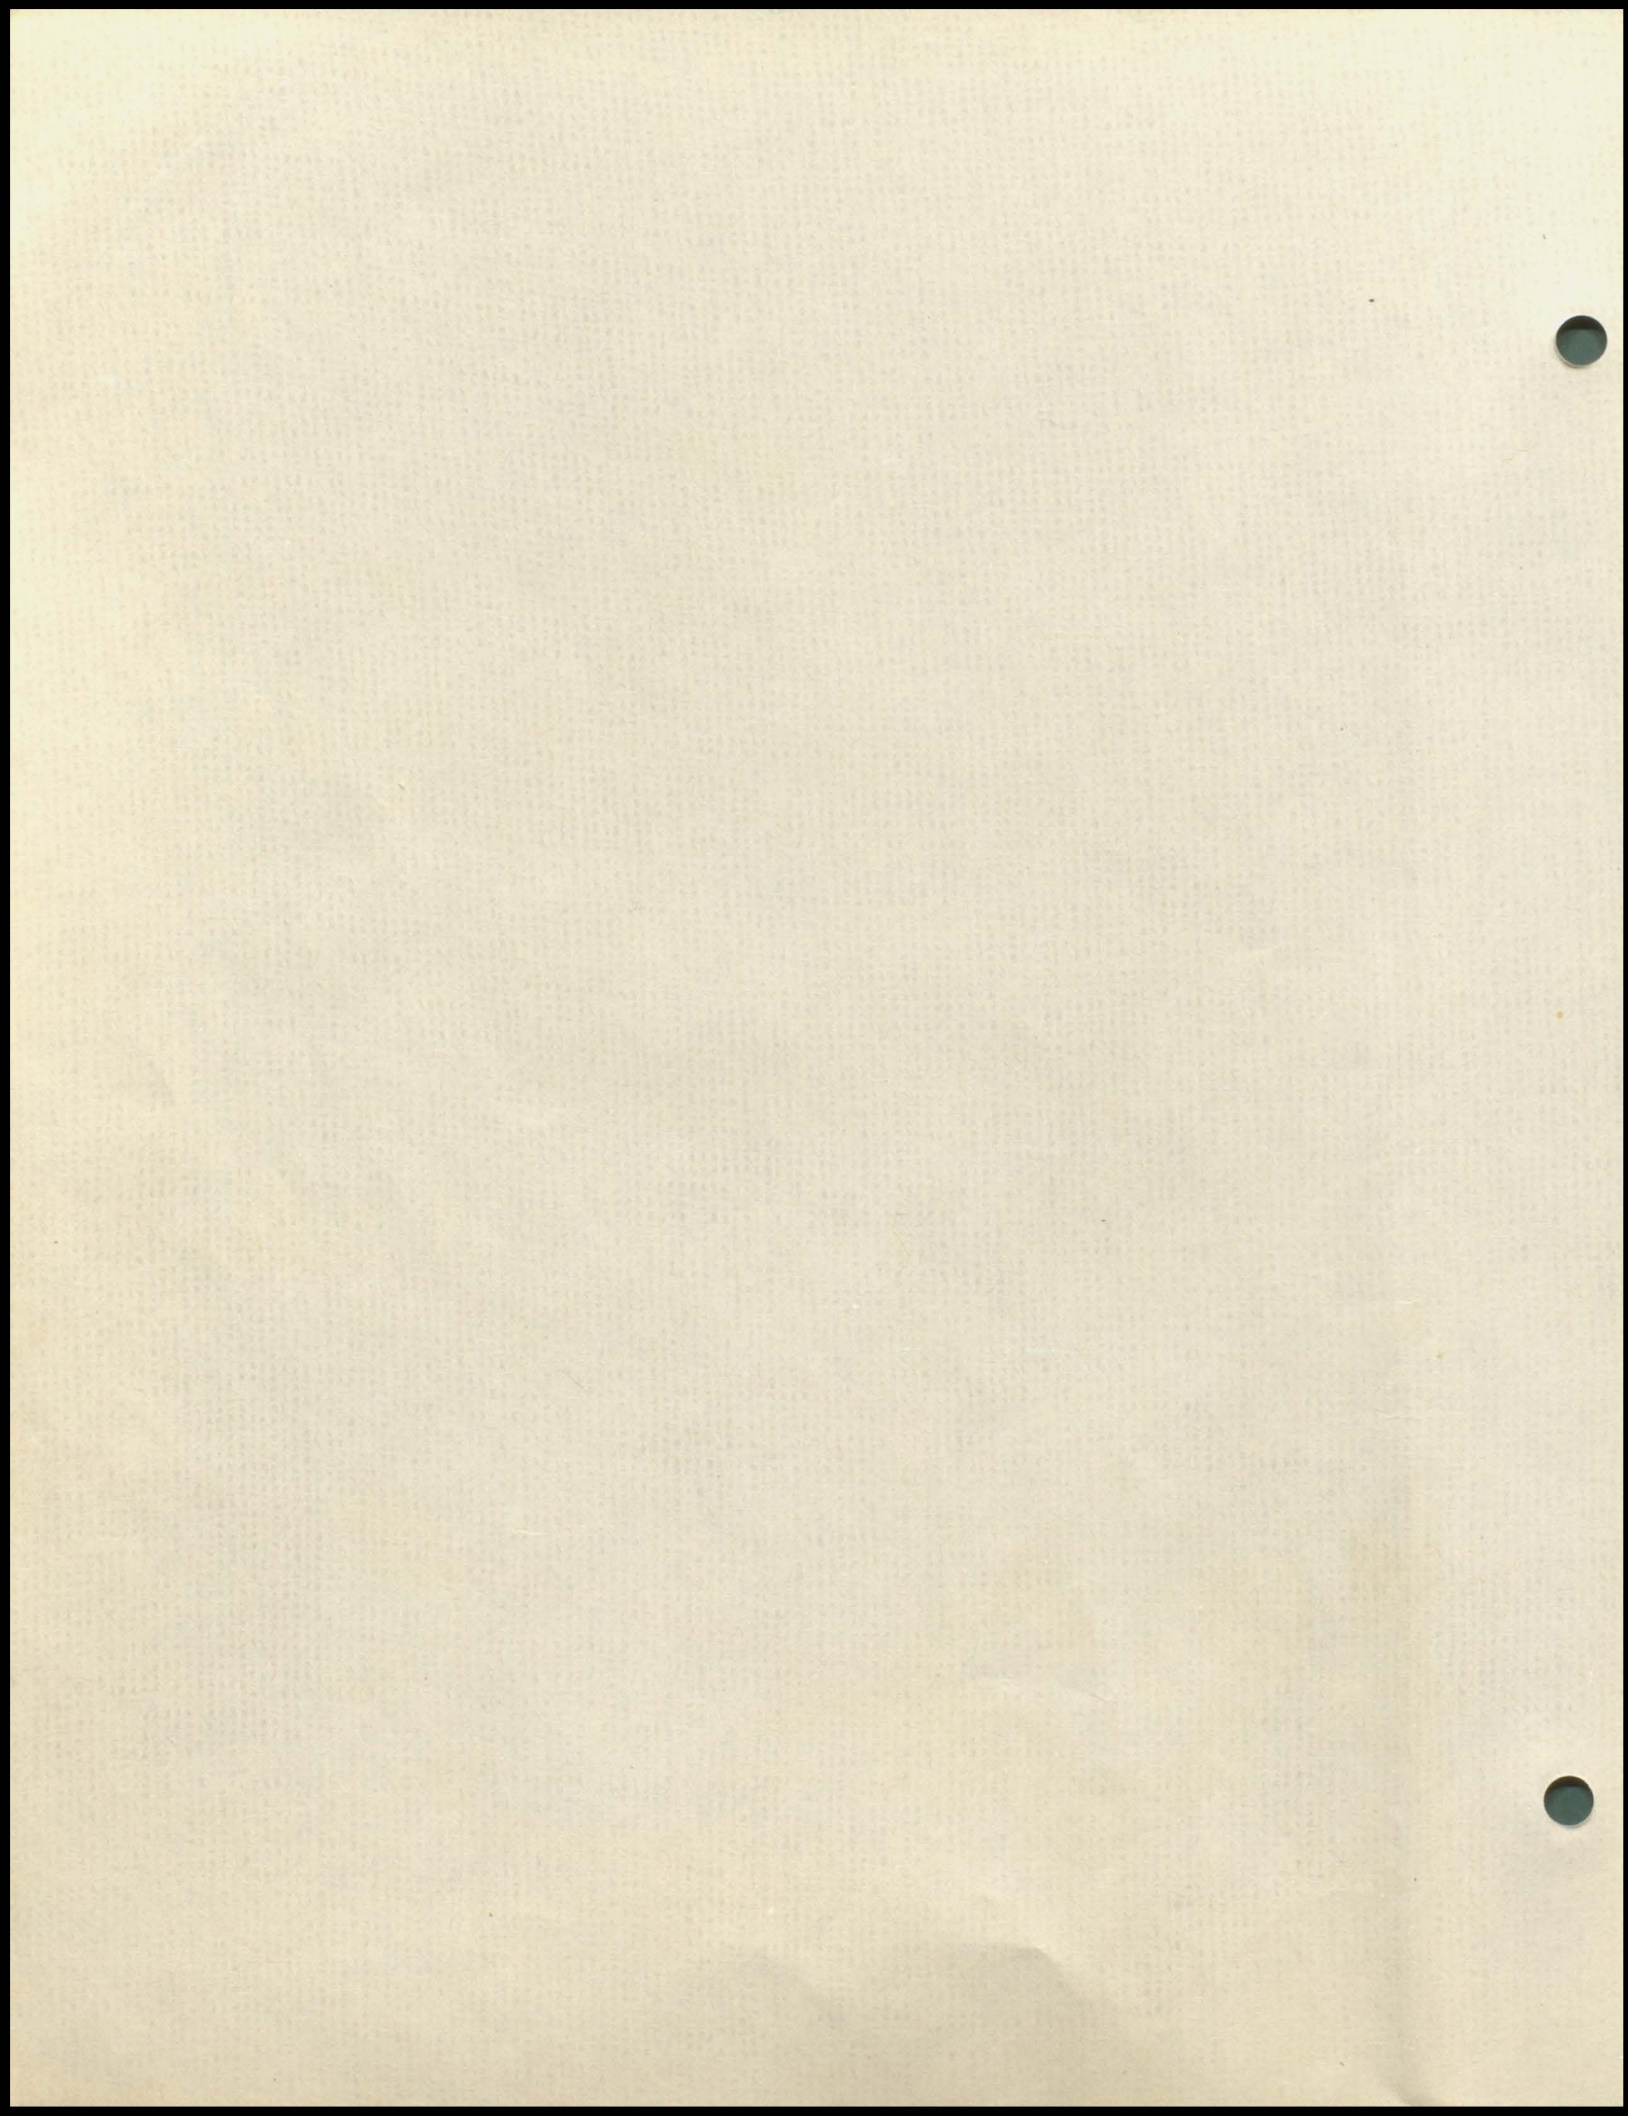

"If you do all that in your free periods, what do you do on club days."

"Oh, we have programs, discuss recent books, learn about authors, recite poems and sometimes have parties. I think it is a useful and interesting organization."

As illustrated by the conversation this new club has proved very successful. Through the magazine drive, the members secured eighteen magazines for the library and bought a flag, play pole, and song books for the school.

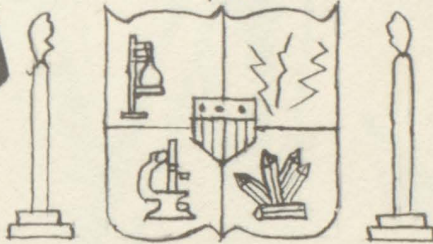

It improved the library by putting up curtains, adding flowers, keeping the bulletin board, ect.

Programs gave the members opportunity to discuss books and authors and become familiar with the principals of library service.
